Micro-Spatial Histories of Global Labour

Christian G. De Vito, Anne Gerritsen, 2017-09-28 This volume suggests a new way of doing global history Instead of offering a sweeping and generalizing overview of the past we propose a micro spatial approach combining micro history with the concept of space A focus on primary sources and awareness of the historical discontinuities and unevennesses characterizes the global history that emerges here We use labour as our lens in this volume The resulting micro spatial history of labour addresses the management and recruitment of labour its voluntary and coerced spatial mobility its political perception and representation and the workers own agency and social networks The individual chapters are written by contributors whose expertise covers the late medieval Eastern Mediterranean to present day Sierra Leone through early modern China and Italy eighteenth century Cuba and the Malvinas Falklands the journeys of a missionary between India and Brazil and those of Christian captives across the Ottoman empire and Spain The result is a highly readable volume that addresses key theoretical and methodological questions in historiography Chapter 7 is open access under a CC BY 4.0 license via link.springer.com

The Relentless Revolution: A History of Capitalism Joyce Appleby, 2011-03-07 Splendid the global history of capitalism in all its creative and destructive glory New York Times Book Review With its deep roots and global scope the capitalist system seems universal and timeless The framework for our lives it is a source of constant change sometimes measured and predictable sometimes drastic out of control Yet what is now ubiquitous was not always so Capitalism was an unlikely development when it emerged from isolated changes in farming trade and manufacturing in early modern England Astute observers began to notice these changes and register their effects Those in power began to harness these new practices to the state enhancing both A system generating wealth power and new ideas arose to reshape societies in a constant surge of change Approaching capitalism as a culture as a historical development that was by no means natural or inevitable Joyce Appleby gives us a fascinating introduction to this most potent creation of mankind from its origins to its present global reach

Catholicism: A Global History from the French Revolution to Pope Francis John T. McGreevy, 2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world's largest international institution The story of Roman Catholicism has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T. McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds

eye views Catholicism provides a mesmerizing assessment of the Church's complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world's largest religious community
