Representing African Music Kofi Agawu,2014-04-23 The aim of this book is to stimulate debate by offering a critique
of discourse about African music Who writes about African music how and why What assumptions and prejudices influence
the presentation of ethnographic data Even the term African music suggests there is an agreed upon meaning but African
music signifies differently to different people This book also poses the question then What is African music Agawu offers a
new and provocative look at the history of African music scholarship that will resonate with students of ethnomusicology and
post colonial studies He offers an alternative Afro centric means of understanding African music and in doing so illuminates a
different mode of creativity beyond the usual provenance of Western criticism This book will undoubtedly inspire heated
debate and new thinking among musicologists cultural theorists and post colonial thinkers Also includes 15 musical examples
