[How to Convert Any Android Tablet to Drawing Pad \(Graphics Tablet\) Using Free Tools](#)

Koushik K, If you are an artist, particularly a digital artist, then you would know the importance of a graphic tablet. There are many options available in the market like Wacom, oneDeco etc. The only problem is you should know whether you are comfortable with your graphic tablet. I will always recommend that you practice before you buy, which is again not the practical option. There are others who may not be professional artists but want to try the luxury of graphic tablet. Artists who are trying hard to earn more and are not having a budget to buy this tablet should have a fair chance to try this out. I found that there are tools to make this possible. This book is an effort to show you a way to have the graphic tablet experience with a tablet you already have. In this book you will get a simple and easy step by step guide to convert any android tablet or phone to a drawing pad with screenshots, all with free tools. A demo video which shows you how it works, the end result. Recommendation of optional paid tools which works best with this tool, the paid tools are completely optional.
