This Manual contains operating and safety instructions for all STIHL BG 75 blowers.

Pay special attention to the safety precautions outlined on pages 4 to 9. Allow only persons who understand this Manual to operate your blower.

To receive maximum performance and satisfaction from your STIHL blower, it is important that you read and understand the maintenance and safety precautions before using your blower.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in this Manual.

Warning!

Because a blower is a high-speed tool, some special safety precautions must be observed as with any other power tool to reduce the risk of personal injury. Careless or improper use may cause serious or even fatal injury.

STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements are made from time-to-time.

If the operating characteristics or the appearance of your blower differ from those described in this Manual, please contact your STIHL dealer for information and assistance.
