Concise Oxford English Dictionary is one of the most popular choices in Oxford's renowned dictionary line. This Luxury Edition is perfect for anyone looking to invest in a reliable resource for home, school or office. It includes unique features such as cut thumb tabs, printed endpapers, ribbon marker with coloured head and tailbands, making it a centerpiece for all bookshelves. This centenary edition of the Concise Oxford English Dictionary, Luxury Edition, presents the most accurate picture of English today. It contains over 240,000 words, phrases and definitions, providing superb coverage of contemporary English, including rare historical and archaic terms, scientific and technical vocabulary, and English from around the world. The dictionary has been updated with hundreds of new words, including subprime, social networking, and carbon footprint, all based on the latest research from the Oxford English Corpus. In addition, the dictionary features an engaging new center section with quick reference word lists, containing for example lists of Fascinating Words and Onomatopoeic Words, and a revised and updated English Uncovered supplement which examines interesting facts about the English language. Sprinkled throughout the text are intriguing Word Histories detailing the origins and development of numerous words. The volume also retains such popular features as the hundreds of usage notes which give advice on tricky vocabulary and pointers to help you improve your use of English. Finally, the dictionary contains full appendices on topics such as alphabets, currencies, electronic English, and the registers of language from formal to slang, plus a useful Guide to Good English with advice on grammar, punctuation and spelling. This Luxury Edition also includes 12 months of access to Oxford Dictionaries Online at [oxforddictionaries.com](http://oxforddictionaries.com).

**Shaping the University of the Future** Stephen James Marshall, 2018-01-02 This book focuses on developing an understanding of the complex interplay of forces acting on individual universities and higher education systems to enable leaders and practitioners to take purposeful and strategic action. It explores the challenging landscape of higher education and the pressures that are reshaping the university as a societal institution, describing the complex interplay of technological, sociological, political and economic forces driving change. The issues analysed are global in scope, reflecting the diversity of contexts but also the common nature of the challenges facing institutions individually and collectively. The analysis draws on the lessons learnt and evidence from over fifty organisational case studies undertaken by the author over the past decade, exploring organisational change in higher education institutions in New Zealand, Australia, the United States and the United

Kingdom and on his engagement as president of the ACODE organisation with colleagues responsible for learning technological change in Australasia The book helps institutions respond to technological change purposefully in ways that build upon a clear understanding of the complex nature of the existing institution its students and the organisational context
