

Oxford EAP

A course in English for Academic Purposes

Teacher's Handbook

Oxford EAP prepares learners to study effectively in English at **university level**, whatever their chosen subject, from pre-sessional courses to postgraduate research.

The course integrates the **four main skills** and **academic language**, and features **authentic texts** from academic and higher education books published by Oxford University Press. The accompanying **DVD-ROM** contains both video and audio content, including extracts from lectures, student presentations, and seminar discussions.

Oxford EAP also provides practical help in developing **essential skills for academic study**, such as critical thinking, effective note-taking, citation and referencing, summarizing and paraphrasing, and avoiding plagiarism. Learners are encouraged to **study independently**, and to apply the course content to their chosen discipline.

This Teacher's Handbook provides wide-ranging support that both experienced and less-experienced EAP teachers will find useful. It includes:

- a detailed introduction to the aims and features of the course
- an overview of how the material addresses the learning objectives at the start of each unit
- extensive methodology notes for all tasks
- ideas and suggestions for additional activities
- answer key, including example answers where appropriate
- all class video on standard DVD
- all class audio on standard audio CD
