Pathway to Freedom Gloria J. Kelsey, 2022-11-30 Gloria Kelsey has experienced several traumatic events in her life including a near death experience at birth an abusive and toxic marriage and the death of her two children Walking through the chapters of her life you will discover how unresolved trauma built strongholds of insecurity fear and rejection within her soul Agreeing with an oath of secrecy and suppressing negative emotions caused physical and psychological distress blocking the healthy flow of energy within her body and creating an environment for disease to exist and develop As Gloria travelled the healing path she learned that many diseases originate from traumatic situations and that emotional memories from painful events were stored in her brain and at the cellular level of her body along with the anger grief and stress associated with those events Living in a toxic marriage caused Gloria to come into agreement with a casualty covenant that brought reality into being negating God's Word and impeding her body's ability to heal As she allowed the Lord to navigate her through the healing process by dealing with the roots fruit and effects of emotional and psychological trauma the ticking bomb of unprocessed trauma was diffused The Lord brought healing to her spirit soul and body giving her the freedom to cross over Jordan and come into her divinely appointed destiny
