

To Kill A Mockingbird: Study Guide

Chapter 1

See "Companion to Reading"

Chapter 2

1. How is Scout's school satirized? *Answers may vary.*
2. Why does Scout explain Walter Cunningham's situation to Miss Caroline? *While Scout thinks she is enlightening Mrs. Caroline with understanding she is expressing a superficial idea and passing judgment on Walter based on Maycomb's social structure.*

Chapter 3

3. Contrast Jem and Scout. *The major difference is in their treatment of Walter Cunningham. Scout takes revenge on Walter for the trouble his family's reputation caused her; however, Jem treats Walter with respect grown out of actual experience of the Cunningham family attributes. This is further seen in Scout openly criticizing Walter's eating habits which are, to her, odd.*
4. Contrast Burris Ewell with the other students. *Burris is contrasted by both physical descriptions and his family's background. Scout remarks he is the dirtiest person she has ever seen, and Mrs. Caroline's desire to protect the other kids implies they are clean.*
5. What is the important thematic connection in the advice Atticus gives Scout? *Atticus implores her to consider things from other people's point of view, showing compassion and empathy.*

Chapter 4

6. How do Jem and Scout's reactions to the pennies help characterize them? *While both are curious, both are immature... in different ways. Jem's immaturity is seen as he "deeply thinks" about the situation, though thinking in terms of superstitions.*
7. What characteristics of children are revealed through the Boo Radley game? *Kids are curious, imaginative, insensitive (unintentionally cruel), and often fearful of adult authority*

Chapter 5

8. What function does Miss Maudie Atkinson symbolize in the novel? *Maudie serves as exposure to "ladylike" behaviors and thoughts, seen in Scout's comments about her character, especially as Jem and Dill exclude her from their play. She also juxtaposes Stephanie Crawford, the neighborhood gossip.*

Chapter 6

9. What is significant about Jem's nocturnal return to the Radleys'? *It creates a high point of interest/suspense due to the threat of a prowler and the mysteriousness of his pants being mended and folded. It also demonstrates his respect for Atticus, though it might come across as fearful.*
10. What does the town decide about the disturbance at the Radleys'? *It must have been a Negro.*

Chapter 7

11. What bewildering incidents occur to Jem and Scout? *The kids find more trinket is the knot-hole, until it is cemented by Nathan Radley because it's dying.*
12. Why is it significant that Jem has been crying? *Jem's tears reveal that, unlike Scout, he assumes it was the kindness of Boo and he may have been reaching out due to loneliness, but that is no longer available.*
