

To Kill A Mockingbird Study Guide (With Answers)

Ch.1

1 Start a character chart for Jem, Dill, Scout and Atticus

2 What kind of father is Mr. Atticus?

Patent, kind, treated children like adults, but also somewhat distant compared to the ideal father in society today

3 What are some rumors about Boo Radley discussed in town?

He drove people's chickens by breathing on them. All small crimes were caused by him. People's chickens used to run away terrified by him. The persons from their town would tell you. He also stabbed his father in the leg with scissors.

Dill also believed that he dined on raw spiders and rats, his hands were stained with blood. He had a scar across his face and he devoted most of the time.

4 Why do you think these rumors started? Why do rumors start in general?

Because they stay to themselves and are different.

Ch.2

1 Why do you think Jem doesn't want anything to do with Scout at school? Is this typical behavior for an older child?

2 Why did Scout's teacher get mad at her (and her father)?

She can already read. Mr. Calpurnia Fisher's son had her read the stock market quotations from the Mobile Register.

She also got in trouble for writing a letter to Dill (since her teacher said she won't learn that until 3rd grade).

Miss Calpurnia told her not to let her father teach her anymore (actually later we find out that Calpurnia taught her much of this).

3 Why do you think Walter Cunningham didn't take the quarter from the teacher? What does this show about his values?

Cunningham doesn't take what they can't pay back.

4 Is Miss Calpurnia Fisher a good teacher? What aspect of her teaching does she need to improve on most?

She needs to listen to her students and better understand the environment. She should also praise Scout for her education.

Ch.3

1 Why does Walter come to dinner (lunch) to the Finch house?

Jem invites him after Scout helps him. He explained that their father was friends, so the meal would not really be charity.

2 How did Atticus make Walter feel welcome in their home?

He spoke to him about crops and things that Walter would be interested to talk about.

3 Describe some of the things that Walter does at lunch that Scout finds strange.
