techniques developed by Theobald that led to tight fisted merchants being willing to spend four and five times as much for a

Toledo No Springs Honest Weight scale than for the scale it replaced This led to Toledo becoming the best known scale

brand in the nation It includes the story of how a plastic came to be developed for Toledo Scale under the leadership of the

company s second president Hubert Bennett that led him to establish a separate wholly owned company This company

Plaskon became the largest plastic company in the United States for a brief time It tells of Toledo Scale s World War II
