## **Soul Lessons And Soul Purpose Guide:**

**Soul Lessons and Soul Purpose** Sonia Choquette, 2010-09 Soul Lessons and Soul Purpose is a book channeled by Sonia Choquette's spirit teacher guides The Three Bishops as well as Joachim and the Emissaries of the Third Ray. These highly evolved and loving guides work specifically to bring about understanding, direction, and support to all souls so that we may learn to become the creative masters of the life that we're intended to have on Earth. The guides state that Earth is soul school and that we're here to master 22 basic soul lessons in order to fulfill our purpose. Each lesson is laid out in such a way that anyone on any level will be ready to follow the instructions. The guides make it very clear in this book that the timing to learn our soul lessons, open our hearts, and raise our vibration on the Earth plane is now. Negative occurrences will worsen if our energy doesn't shift and elevate to a more loving plane. We have no time to waste. *Traveling at the Speed of Love* Sonia Choquette, 2011-03-01 New York Times bestselling author. A paradigm shifting guide to moving through fear and embracing what matters most in life: love. When we travel at the speed of love, we choose to live in a frequency of unconditional love. Today most of us travel at the frequency of fear and live with a victim consciousness. When we're traveling at the fear frequency, no matter how fast we go, we can never get to our destination. The victim consciousness is based on the premise I have no choice. Traveling at the speed of love means taking our power back. We're actually in a different universe when we travel at the speed of love. Our world is not a menacing, threatening race geared to cheat death. It becomes at any moment so satisfying that if this were our last moment on Earth, that would be okay. This is not to say that change is easy. To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence. In this fascinating book, Sonia Choquette provides a practical, in-the-trenches guide that will reveal how you can reprogram your brain and change your life for the better. Ask yourself this question: What frequency are you traveling on right now? **The Power of Your Spirit** Sonia Choquette, 2012-05-02 Losing our connection with Spirit may be the biggest problem we suffer from today. We want to face our challenges and disappointment with grace, be creative and inspired, feel excited by a purpose, and live fearlessly through an intuitive guiding wisdom. We want to love and feel loved and realize genuine peace, but as much as we desire a significant spiritual breakthrough and long to know our Divine selves, we're still not making the commitment that will ensure our success. We want the gifts, but we're not engaging in the practical work necessary to obtain them, so we remain stuck and more frustrated than ever. We know a lot about the power of Spirit, yet we aren't actually experiencing it. And we cannot do so through intellectual pursuits alone. In fact, we can only experience it through a deep, intentional daily practice of connecting with Spirit. When you truly make this connection, you'll realize that it's the most authentic, lasting power you have in your life. In this enlightening book, spiritual teacher Sonia Choquette will show you that even though you can't control the outside world with the power of your Spirit, you can create a sense of purpose within that brings about profound contentment and personal peace, no matter what is going on around you.
