

A Doll's House – Written Assignment

DUE MONDAY MARCH 18th in Class.

1) You will hand in ONE photocopy per group of your scene/script. I want you to break it down into beats and titles. I have posted an example under "A Doll's House" in Moodle. There are two pages from the first Nora/Mrs. Linde scene as examples.

Beats: where you think there is a shift in the scene (e.g. a change of action, a new character enters, a new idea is brought up).

Titles: A title captures the main or driving idea of the beat. The title of the beat may come directly from the beat itself or you may make them up. When you look at all of your titles in order, they should give you a sense of the arc of the scene.

2) Each actor will also submit a page that outlines the following:

i) Who are you talking to in the scene? Be specific. Answering with simply a name is not enough. What can you tell me about this person (or people). What is your relationship to them? How well do you know them?

ii) What do you want in the scene? (I.e. What is your objective?) You may phrase this as: "I want to get [Character X] to 'do or say' [x]. Tell me what you're working for in the scene?

iii) I want you to outline THREE external and THREE internal obstacles the character faces in the scene.

For this assignment, you'll be graded individually - though your beat breakdown and titling will be a part of that. So make sure you all agree about how you've broken the scene down. If you have questions, let me know!

Best,
David
