**Something Nasty in the Slushpile** Sammy Looker, 2014-10-02 Most publishers keep a slushpile the stack of unsolicited manuscripts which contains a large percentage of preposterous or frightening book proposals which might just conceal that one jewel of a bestseller or classic novel lying near the bottom Authors discovered via the slush pile include Roddy Doyle J K Rowling and Philip Roth Stephenie Meyer sent 15 query letters about her teenage vampire saga and got nearly 10 rejection letters one even arrived after she signed with an agent and received a three book deal from Little Brown Sadly though these are the exceptions Written by a reader with over a decade of slush pile experience *Something Nasty in the Slushpile* takes a tour through the do's and don'ts of book proposal including many examples of hilarious misguided and plain weird approaches The contents include Famous first lines After ten books of criticism I am turning my attention to a subject close to my heart the illustrated story of my own life I would have e mailed you but I am not allowed access to such facilities as I have just been sectioned I should be out soon Barmy USPs It's like a British male version of *Eat Pray Love* But less shrill and more believable There are echoes of Paul Theroux and parallels with *The Alchemist* and *Siddhartha* My book is just about me just an ordinary Jo Bloggs chipping away relentlessly at the big roadblocks put in my way How not to respond to constructive criticism Dear so called publisher I have shown my manuscript to my spiritual guide and he agrees that you are utterly wrong

**Rosa Mistika** Euphrase Kezilahabi, 2025-06-17 A controversial Swahili classic by one of Tanzania's most revered writers banned on publication and finally translated into English Teenage Rosa lives with her parents and four younger sisters in a village on Ukerewe Island in Lake Victoria where she attends the local school and helps out on the family farm Life would be relatively peaceful if it weren't for Rosa's father who drinks to oblivion and abuses his wife and daughters Initially relieved to be admitted into a residential school on the mainland Rosa soon discovers that she's ill prepared for life outside her village As she becomes accustomed to the attention and manipulations of men she begins to understand her sexuality as a weapon But this understanding born of the need to survive in a world of double standards comes with a price Rosa Mistika is a radical narrative exploration of womanhood maternal love agency and authority and the first ever Swahili novel to address issues of domestic violence sexual coercion and abortion Through the story of a young woman and her community it poses the enduring question To what degree are we responsible for the choices we make and to what degree are we acted upon by forces outside our control

**Vinoteq**, Informaci3n espec3fica sobre viticultura y elaboraci3n del vino gesti3n y direcci3n empresarial y todo lo necesario para comercializar con xito bodegas y vinos *English Heart, Hindi Heartland* Rashmi Sadana, 2012-02-02 English Heart Hindi Heartland examines Delhi's postcolonial literary world its institutions prizes publishers writers and translators and the cultural geographies of key neighborhoods in light of colonial histories and the globalization of English Rashmi Sadana places internationally recognized authors such as Salman Rushdie Anita Desai Vikram Seth and Aravind Adiga in the context of debates within India about the politics of language and alongside other writers including K Satchidanandan Shashi Deshpande and Geetanjali Shree Sadana undertakes an ethnographic study of literary culture that probes the connections between place language and text in order to show what language comes to stand for in people's lives In so doing she unmasks a social discourse rife with questions of authenticity and cultural politics of inclusion and exclusion English Heart Hindi Heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures larger questions relating to caste religious and gender identities but that the authenticity discourse itself is continually in flux In order to mediate and extract cultural capital from India's complex linguistic hierarchies literary practitioners strategically deploy a fluid set of cultural and political distinctions that Sadana calls literary nationality Sadana argues that English and the way it is positioned among the other Indian languages does not

represent a fixed pole but rather serves to change political and literary alliances among classes and castes often in surprising ways **Able Muse, Translation Anthology Issue, Summer 2014 (No. 17 - Print Edition)** Alexander

**Connection (Rafferty & Llewellyn British Mysteries, #17)** Geraldine Evans, Childhood in the Contemporary English Novel Sandra Dinter, 2019-10-10 Since the 1980s novels about childhood for adults have been a booming genre within the contemporary British literary market Childhood in the Contemporary English Novel offers the first comprehensive study of this literary trend Assembling analyses of key works by Ian McEwan Doris Lessing P D James Nick Hornby Sarah Moss and Stephen Kelman and situating them in their cultural and political contexts Sandra Dinter uncovers both the reasons for the current popularity of such fiction and the theoretical shift that distinguishes it from earlier literary epochs The book s central argument is that the contemporary English novel draws on the constructivist paradigm shift that revolutionised the academic study of childhood several decades ago Contemporary works of fiction Dinter argues depart from the notion of childhood as a naturally given phase of life and examine the agents interests and conflicts involved in its cultural production Dinter also

considers the limits of this new theoretical impetus observing that authors and scholars alike even when they claim to conceive of childhood as a construct do not always give up on the idea of its natural core Accordingly this book reconstructs how the English novel between the 1980s and the 2010s oscillates between an acknowledgment of constructivism and an endorsement of childhood as the last irrevocable quintessence of humanity In doing so it successfully extends the literary and cultural history of childhood to the immediate present
