Aboulafia, 2018-04-27 she drove her right fist three inches deep into my solar plexus putting her entire 102 pounds behind the blow I retreated a full foot but remained on my feet I gasped treasuring the oxygen remaining in my lungs and knew that little more was likely to enter there for some time I wondered how long a person could live without breathing More so I wondered how long I could convince my sixteen year old daughter that I was unfazed by her puny blow In this hysterical irreverent and sometimes thought provoking collection of essays the author takes us on a journey through everyday real life events that start out as uneventful but that wind up being anything but Snapshots is a book that everyone will identify with and that will have you holding your stomach with laughter [More Snapshots?
