

NAVAL SPECIAL WARFARE BASIC SNIPER TRAINING SYLLABUS

NOTE. The primary mission of the SEAL scout sniper is combat is to support combat operations by delivering precision fire on selected targets from concealed positions. The SEAL sniper also has a secondary mission of gathering information for intelligence purposes. The future combat operations that would most likely involve Naval Special Warfare would be low intensity type combat operations that would employ SEAL personnel in the gathering of information for future military operations or the surgical removal of military targets and personnel with a minimal assault force with no loss of life to civilian personnel. This is the ideal mission profile to employ snipers due to their advanced field skills, marksmanship and their ability to operate independently in a field environment.
