Abstract: *Public Participation Program* is a 100-hour course in which the students learn about the importance of public participation in the planning process. The course is designed to provide students with the knowledge and skills necessary to effectively engage the public in the planning process. The course covers the following topics: the importance of public participation, the planning process, the role of the public, the benefits of public participation, the challenges of public participation, and the techniques for public participation. The course is designed to be a practical, hands-on experience for students, with a focus on the application of the concepts and techniques learned in the classroom to the real world. The course is taught by a faculty member with extensive experience in public participation and planning. The course is a required course for students pursuing a degree in planning. The course is also open to students from other disciplines who are interested in public participation and planning. The course is taught in a lecture format, with a focus on the application of the concepts and techniques learned in the classroom to the real world. The course is designed to be a practical, hands-on experience for students, with a focus on the application of the concepts and techniques learned in the classroom to the real world. The course is taught by a faculty member with extensive experience in public participation and planning. The course is a required course for students pursuing a degree in planning.
