**Secondary Education in Ethiopia** Rajendra Joshi,Adriaan Verspoor,2012-11-01 This book discusses reforms that should be undertaken in secondary education to support Ethiopia s transition from a low to middle income economy The most critical reform identified is the introduction of a flexible curriculum that serves the needs of all students including those who may not pursue higher education      Revolutionary Struggles and Girls' Education Thera Mjaaland,2021-07-27 Revolutionary Struggles and Girls Education At the Frontiers of Gender Norms in North Ethiopia argues that at the base of girls poorer performance than boys at secondary school level when puberty has set in is the symbolic violence entailed in sanctioned femaleness Informed by the modesty of Virgin Mary in Orthodox Christian veneration it instructs girls to internalize a holding back which impinges on her self efficacy and ability to be an active learner Neoliberally informed educational policies and plans which have co opted liberal feminism also in Ethiopia do not address hard lived gender norms and the power and domination dynamics entailed when parity between boys and girls in school continues to be the dominant measure for equity Despite women s courageous contribution at a literal frontier during the Tigrayan liberation struggle 1975 91 where they fought on equal terms with men and despite the tendency that girls outnumber boys at secondary level in the present context sanctioned femaleness constitutes a frontier for girls educational success and transition to higher education In fact when teaching learning continues to be based on memorization rather than critical thinking the very transformative potential of education is undermined also in a gendered sense      Register of the Commissioned and Warrant Officers of the Navy of the United States and of the Marine Corps United States.
