1. Identify what is given to you and what you need to find.
2. Select a strategy or strategy, or a combination and execute it to solve the problem.
3. Review your solution, check your work.
4. Reflect, what strategy worked, compare the solution with other people's, and see if a different one can be used. Reflect on the solution, what you did well and what you did not do well, and what you can learn from this experience.
