Navigating The Highway To Holiness:

Navigating the Highway to Holiness Florence Koleszar, Michael Koleszar, 2014-11-24 WHERE ARE YOU ON THE HIGHWAY TO HOLINESS Being a Christian is more than just an instantaneous conversion it is a daily process whereby we grow to be more and more like Christ When we no longer desire to grow and please our Lord we stifle the work of the Holy Spirit by telling Him to move out from behind the steering wheel and into the back seat essentially telling Him we are happy to have Him along for the ride but we want to maintain control of our lives Christians are only as holy as they want to be John the Baptist addresses this thought head on when he said He must increase but I must decrease John 3 30 Here in this short scripture John identifies the main battleground for all Christians to become more like Christ while simultaneously conquering our sinful nature The church as a whole has pulled off of the Highway to Holiness into a rest area where we have become comfortable parked under the shade tree of contentment We have become satisfied with our spiritual growth telling ourselves that while we are not what we are suppose to be we are much better than what we use to be before Christ We have grown weary of battling our own flesh which has extinguished the passion and desire we once had to pursue holiness and righteousness However complacency with Christ is the graveyard where Christians go to die Supported by numerous scriptures *Navigating the Highway to Holiness* identifies areas within the church that have been weakened by false doctrine and the spirit of compromise while simultaneously challenging Christians to continually move towards perfection through the power of the Holy Spirit and by allowing Christ to assume His rightful place on the throne of our hearts The Highway Of Holiness Jimmie L. Chapman, 2011-05-31 Speaking from a biblical viewpoint there are two kinds of people in the world the righteous and the sinner There are two ways to live the life of holiness and the life of the wicked There are two eternal destinations heaven or hell Also according to the Bible we have the power to choose what kind of people we are the kind of life we live and our eternal destination We can choose whether we want to meet God at the end of this life or if we want to spend eternity separated from God in hell The Bible also makes another point very clear to us If we choose that we want to meet God and spend eternity in heaven with him we have to choose to follow him in this life He has shown us the way he wants us to live Jesus the only begotten Son of God came into this world to show us the way that we might meet God Jesus said I am the way the truth and the life no man cometh to the Father but by me John 14 6 Highway of Holiness Judith Lawrence, 2011-05-11 You were born on earth in holiness but as you walk along life s road and become buffeted with life s trials you lose the knowledge of the holiness with which you were born Join Judith Lawrence along her soul journey as she considers God s grace the indwelling of the Holy Spirit the abundance of Christ s love and many other blessings received along life s road Discover your soul s qualities discern your soul s voice and follow your soul s leading along your spiritual pilgrimage Become a contemplative without a cloister keep God at the center of your life and find God s open doors along your pilgrim way This book will take you through paths of prayer and assist you to become aware of your soul s presence

within it will guide you towards a unique relationship with God take you along your path to spiritual maturity and give you a realization of your holiness and oneness with God The spiritual journey is one of awakening to your soul s presence rediscovering the holiness with which you were born and being transformed into spiritual beings **The highway of**

holiness; or, The higher Christian life Charles Graham (baptist minister.),1872 *An Infinite Journey* Dr. Andrew M. Davis,2014-01-09 After we ve come to faith in Christ God leaves us in this world for a very clear purpose his own glory But how are we to glorify God for the rest of our lives The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions This book is a road map for the internal journey laying out how we are to grow in four major areas knowledge faith character and action In this book we ll learn how God grows us in knowledge faith character and action We ll also discover that spiritual knowledge constantly feeds our growing faith faith will transform our character our transformed character will result in an array of actions more and more glorifying to God and our actions will feed our spiritual knowledge This upward spiral will lead us to become more and more like Jesus Christ in holiness And not only will this book help us understand Christian growth in detail it will also give us a passion to grow every day for his glory The Way Back Home Dennis Chamberland,2005-09-12 Holiness is not at all about what you see but it is instead all about what you do not see Show me a Christian who has lost his fear of making himself of no reputation among the religious people so that he can love the lost with his life and I will show you a very powerful and dangerous man In THE WAY BACK HOME a very detailed description of personal holiness is provided so that every Christian can clearly understand just what holiness is and what it is not Dennis Chamberland traces the application of holiness all the way back to its scriptural origins He also warns the reader in a careful cautionary note of the recent historic misadventures into what holiness should never become THE WAY BACK HOME is developed as a personal journey into this most necessary but widely misunderstood aspect of every believer s life This book is a six week prayer and spiritual journal that gives every reader regardless of their present spiritual condition the opportunity to make personal holiness an individual journey Christians either live courageous lives or they compromise to make everyone happy Oft called extremists by the secular culture real Christians are forced to make the choice conciliation or become minimalized and isolated This is a manual for the committed Christian who dares to uncompromisingly serve Christ and at the same time achieve true unilateral love for everyone else with the same fervor they love the Master It is a chart down the long and sometime tearful highway called life It is a book only for the truly faithful It is a manual that leads the way to the only viable option brilliant success The Great Highway of Life Carole Lunde,2016-04-22 Did you awaken one day to your spiritual nature and wonder how you got there The flower grows from a seed in the physical ground pushes up toward the sunlight growing a stem and leaves that reach for the light and suddenly it blooms It is a beautiful bloom that is nothing like the stem leaves seed and ground it came from A friend asked if the flower is

as surprised when it blooms as we are when we suddenly step into the light of our spirituality Would you like to explore your own development mirrored to you by the deeper meaning of the Bible events and stories The Bible gives us a clear pathway a highway not a confusing tangle of byways that lead nowhere This is what Isaiah was telling us in Chapter 40 3 In the wilderness prepare the way of the Lord make straight in the desert a highway for our God Every valley shall be lifted up and every mountain and hill made low the uneven ground shall become level and the rough places plain And the glory of the Lord shall be revealed and all flesh shall see it together for the mouth of the Lord has spoken Navigating the Bible through metaphysics leads you book by book chapter by chapter and sometimes verse by verse on that highway of psychological development from infancy to the gates of spirituality that open into the Gospels There Jesus leads us forward with the example of his life and teachings showing us the kingdom of heaven The Apostle Paul sees the Christ nature in each of us and endeavors to live it every day Then we reach the book of Revelation We trod the final steps to the New Jerusalem the Christ consciousness where we shed all earthly limitation and are totally prepared for God to return us to our true home

Your Jesus Journey Cindy Oury,2024-02-27 Jesus beckons each of us to undertake a relationship with Him Your Jesus Journey guides you step by step on how to make this relationship a reality Beginning with the basics Cindy Oury examines Jesus s side of the equation as well as yours which should culminate in your open response to Him Here I am Change me show me use me send me Next she instructs you how to ingest Scriptures from the Holy Bible into your soul for personal reflection Daily journal prompts reinforce inner and outer change She also highlights all the reasons to read and reflect on Scripture as you continue your journey with Jesus Finally the author urges you to see how you can use your God given strengths and talents to serve Jesus in your sphere of influence By swiftly carrying out His assignments you ll enjoy the actualization of the greatest power couple on the planet Jesus and you

The Publishers' Circular and General Record of British and Foreign Literature ,1872 In the World But Not of it , The Light of Navigation Marguerite Lever-Woodall,2022-04-27 In the middle of tremendous darkness occurring worldwide and on a personal level for many we must know that Christ is our best light of navigation through it all There are

many false lights vying for our attention which in the end can bring shipwreck to people's lives Being focused intently on God's pathways and His light His truth will carry us through to safe harbor This book shares the God stories occurring in one woman's pursuit of God's presence and personal relationship with Him It is the story of a thread of love woven in a life journey where His movement occurs in subtle yet unexpected ways There are also moments of dramatic interventions on God's part that astound as well Many call this weaving of God's movement and presence in our lives the dance and it is a dance of the best kind The events recorded here speak of trusting God in the midst of suffering and sorrow which touch so many lives daily however it will also lift and encourage you as God's engaging actions surprise as well A greater recognition of how God moves and presents Himself in our moments will be eye opening We all have those hard questions we've asked God and not believed we would ever hear an answer to Unfortunately church culture teaches that He moves so mysteriously that we will not have the answers we desperately need when life's tragedies hurt us deeply This book dispels that misunderstanding and shows a God who loves us deeply and wants to answer our seemingly impossible questions gladly
