*Numb* J.M. Walker,2017-06-21 An unexpected evil brings both the MC and Military world together in this brand new series by J M Walker He doesn t remember In the beginning women and alcohol were one in the same Until he met her The pain and heartache he caused her died when he was shot and fell into a coma Waking up is the only way he can get back to Maxine Stanton while she does everything she can to push him away She hates him Every fiber of her being loathes the man she fell in love with but she can t control her heart and wants him just the same When Dale Michaels finally wakes up she realizes they need to end this once and for all before it destroys them both When an unexpected source rips through what they ve worked hard to maintain only then do they realize the full potential of their love [Life's Lessons from a Father to His Daughter](#)

Bob Grossmann,2003-05-21 [Life's Lessons from a Father to his Daughter](#) uses twenty four stories pictures and artwork to help teach our children life s lessons with the aim of helping our children learn to make good decision making skills Decision making skills are often not well taught or integrated into a strong sense of personal philosophy Human nature can be impulsive The use of stories real life or metaphors to pass on life lessons from one generation to another is at the core of our oral and written traditions Parents can help to pass on this information as a creative way to install core values help reduce the chance of mishap and enhance lifelong success Part of the challenge is establishing a dialogue that allows worldviews to be discussed both the commonalties and the differences Perhaps part of the failure to achieve a sustained dialogue is that we as parents wait too long to start the dialogue Part of the challenge too is that the lessons have different levels of meaning as we age So Life s Lessons from a Father to his Daughter was written to have meaning at the different stages of life in one s mid teens mid twenties and again in mid life Value exists in the stories being real Non fiction can carry more weight Children need to learn early that their parents continue to go through what they are experiencing We too make mistakes that we try and fail and we are both individuals and members of larger

communities All the increasing access to information may not make decision making easier Greater discrimination and better choices will be essential So read the vignettes with your children and see where the discussion goes Be sure to have a few good laughs along the way Life s Lessons from a Father to his Daughter is a tool to help parents communicate with their children by providing a context for parents to add their own personal stories      Temple Bar George Augustus Sala, Edmund Yates, 1873      Temple Bar , 1873      An English Letter Book Francis Bickley, 1925 Letters written 1475 1830 selected from the Reports of the Historical manuscripts commission
