

Without Tess

MARCELLA PIXLEY

"Without Tess is a psychological thriller, a book of profound truth. Alternating between past and future, between loss and hope, Lizzie's story will grip you from beginning to end." —Francisco X. Stork, author of *Marcelo in the Real World*

Without Tess Marcella Pixley:

Without Tess Marcella Pixley, 2011-10-11 Fifteen year old Lizzie Cohen recalls what it was like growing up with her imaginative but disturbed older sister Tess and how she is striving to reclaim her own life since Tess died **Without Tess** Marcella Pixley, 2024-08-06 Tess and Lizzie are sisters as close as can be who share a secret world filled with selkies flying horses and a girl who can transform into a wolf in the middle of the night But when Lizzie is ready to grow up Tess clings to their fantasies As Tess sinks deeper and deeper into her delusions she decides that she can't live in the real world any longer and leaves Lizzie and her family forever Now years later Lizzie is in high school and struggling to understand what happened to her sister With the help of a school psychologist and Tess's battered journal Lizzie searches for a way to finally let Tess go Ready to Fall Marcella Pixley, 2018-03-01 A YA novel about a teen who finds hope and a fresh start after a terrible loss and learns that being strong means letting go Following the death of his mother Max Friedman comes to believe that he is sharing his brain with a tumour one that possesses a dark sense of humour and a relentless ability to tease As Max becomes focused on controlling the malignant tenant he starts to lose touch with his friends and family and with reality itself so Max's father sends him off to the artsy Baldwin School to regain his footing Soon Max has joined a group of theatre misfits in a steam punk production of Hamlet He befriends Fish a girl with pink hair and a troubled past and The Monk a boy who refuses to let go of the things he loves For a while Max almost feels happy But the tumour is always lurking in the wings until one night it knocks him down and Max is forced to face the truth Ready to Fall is a funny touching story of grief love and the courage it takes to start afresh Grief becomes something oddly beautiful and beautifully odd Kirkus starred review Rewarding and touching Publishers Weekly starred review Marcella Pixley is a teacher and the author of two previous books for teens *Freak* a Kirkus Reviews Best Book of the Year and *Without Tess* She lives in Westford Massachusetts with her husband and two sons Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In *Portrait of the Artist as a Young Adult* The Arts in Young Adult Literature Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person's developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand

outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the artist s development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically making Portrait of the Artist as a Young Adult a valuable resource for educators parents librarians and young adults
