**W**olf E Series built-in ovens come with the classic stainless steel finish and are offered in two different door styles—framed and unframed. The framed is more traditional and lends itself nicely with a professional rangetop, while the unframed is sleek and contemporary in appearance.

The E Series built-in design allows the front of the oven to be installed flush with surrounding cabinetry for a more integrated look or used in the standard application, where the oven trim will overlap the cabinet face.

Inside, the beauty, design and functionality continue. Brilliant halogen lights illuminate the beautiful blue interior. Pull that bottom oven rack all the way out and notice how it is nestled on the door rails. With the dual convection fans, E Series built-in ovens offer ten different cooking modes.
