With God Again My Journey Away From God And Back:

With God Again Aaron Kelsay, 2014-12-30 Many believers can relate to the process of exploring the world outside of faith and finding good seemingly normal human beings who they were raised to view as other homosexuals Muslims atheists secularists liberals and city people This universal story where an individual raised to believe in God has to reconcile their inherited belief with their world points to every generation s struggle It seems that Christianity is designed for a beautiful but confounding re construction of faith generation by generation This is the narrative of *With God Again* in which a man shares the pain and joy of finding God inside and outside the Church *With God Again* is a deeply personal story of an individual s lifelong wrestling match with the Creator Even as a teenager controversy was in the DNA of the author s relationship with God and the world It was in these adolescent years that false sexual assault allegations destroyed the author s conception of God and his life at the time but soon lead him directly to the person of God It is in this continual process of tragedy loss learning and growth that the author is able to share a testimony of God s grace and love for all people The early trials are part of a God ordained plan Moving from the suburbs into one of the poorest neighborhoods in Portland entering a new community joining a new racial cultural and ethnic family and subsequently finding Jesus anew in it all *With God Again* explains in story that there is a transcendent perfect God who is always greater than we can conceive and at the same time God is so powerfully knowable and accessible even to the messiest and worst of us This book is aimed at anyone who belongs to or works with this new generation tackling a myriad of controversial topics with a post modern audience in mind the growing number of those who assert that experience subjective as it is is as authoritative as knowledge and tradition From the introduction of *With God Again* One s conception of God is always lower than God Himself and as the aim in this book is not to point readers to a perfect understanding of God but to a relationship with God Mixed into the stew of frustrations among Christians those seeing their tradition and ideals moved to the periphery of culture as well as a social justice movement driven largely by secular leaders is the foremost question of God Himself How do we as Christians reconcile our knowledge with our experience How do we hold to a spiritual view of life while believing in science It seems that those who claim to hear from God are either insane or selling something how am I supposed to hear from God All of this is at the heart of *With God Again* the story of faith for a man very much immersed in this generation s struggle to find God

My Journey with God Douglas Wiessner, 2011-12-09 Are you ready for the ultimate journey A christian life should be looked at as more than doing what God wants us to do We all should look at doing God s will as the exciting journey of a life time It is a journey in which God transforms our head knowledge to heart knowledge It is a journey where our faith hope and love are tested a journey where people s lives are changed My joudrney in this book is only an example of what God can do in a life Kathy C. Watson, 2006-10-01 For many many years you may have heard that God doesn t still perform miracles A Mother In Mourning will restore your faith if you are among the many who don t believe Kathy will tell you too of the many

miracles God has given to her One of the miracles was giving birth to her sons Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house A Mother In Mourning is sure to be a best seller of its kind Kathy delivers a truly powerful love story involving herself her two sons and her God From the first day she gave birth to her sons she held them close to her To Aaron and Kendrick she was a one of a kind mother she was their mentor their right hand their best friend and their preparedness for this thing called life Most importantly she was Aaron s and is Kendrick s overseer in making sure that without a doubt their ultimate destination would be heaven A Mother In Mourning will take you on a journey filled with nothing but love joy and the pain of being a mother This heart felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes It s clear that Kathy understood from the very beginning what it took to be a good mother You will also read how God gave her a premonition that something tragic was going to happen five months before his death She didn t know what it was until a knock came on her door one early morning She opened the door only to see two police officers standing there and one of them was holding her son s drivers license Through all of their years together with his following closely in her footsteps she never could have predicted that Aaron would have had such a short life Kathy and her sons were so close it seemed to her that the sun would shine on them forever One Wednesday evening just as the sun was going down God called Aaron s name Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more You will read how God got her through the lowest stage of her life when no one else was there for her A Mother In Mourning is not just for someone who has lost a loved one It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey Yes it is a journey that we all must travel and that will one day make no mistake about it come to an end

The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then
