know and remember not only as a memorial of men's courage in tragic years but as a warning of what will happen again surely if a heritage of evil and of folly is not cut out of the hearts of peoples. Here it is the reality of modern warfare not only as it appears to British soldiers of whom I can tell but to soldiers on all the fronts where conditions were the same. *With Our Army in Palestine* Antony Bluett, 2016-09-18. A fascinating book by a British soldier who tells of the efforts in WWI in the Middle East. This was a time when much of the battling was with bayonet and face to face. There are a lot of interesting facts of the brutality of that war. Toward the end he mentions that 60 000 people died of starvation in Beyrout during the War out of a population of 80 000. Excerpt from Goodreads.

**War Blacks** Matt Elliott, 2016-07-01. War Blacks is the extraordinary story of New Zealand's national sport and The Great War and the effect each had on the other. Rugby and war have played major roles in the forging of a national New Zealand identity. This is the story of where both met on the hot sands of Egypt and the muddy fields of Britain and France during World War I. War Blacks presents for the first time the stories of more than 90 men who had been were or would be All Blacks and their 1914-18 wartime service wearing the double silver fern of the New

Zealand Expeditionary Force or the badges of other nations While first class and senior rugby in New Zealand came to a halt as the war progressed fit to play fit to fight the game played an important role in the recreation and morale of our troops The mighty rivalry between the All Blacks and the Springboks can be traced to this period When the Invincibles were touring the Northern Hemisphere in 1924 25 the ex soldiers in the team made a point of visiting the battlefields they had fought on only a few years earlier as well as the graves of their fallen comrades Arguably the most famous of the New Zealand player soldiers was Dave Gallaher captain of the Originals All Blacks in 1905 who lost his life in 1917 at Passchendaele He was one of 13 All Blacks killed in action during WWI Others were wounded and left suffering the effects of active service for the rest of their lives But amongst those who played after the war was Maurice Brownlie one of the greatest forwards the game has seen War Blacks is the moving and at times humorous story of our national sport and The Great War and the effect each had on the other **The Middle East, Abstracts and Index** ,1995 [With Our Army in Palestine](#) Bluett Antony,2016-06-23

**The Battle for Palestine 1917** John D. Grainger, 2006 The story of Allied victory in the Holy Land far from the carnage of the Western Front but a crucial morale boosting success under the aggressive and forward thinking General Allenby Three battles for the control of the key fortress city of Gaza took place in 1917 between the British force with units from across the Empire most notably the ANZACs and the Turks The Allies were repulsed twice but on their third attempt under the newly appointed General Allenby a veteran of the Western Front where he was a vocal critic of Haig s command finally penetrated Turkish lines captured southern Palestine and as instructed by Lloyd George took Jerusalem in time for Christmas ending 400 years of Ottoman occupation This third battle similar in many ways to the contemporaneous fighting in France is at the heart of this account with consideration of intelligence espionage air warfare and diplomatic and political elements not to mention the logistical and medical aspects of the campaign particularly water The generally overlooked Turkish defence in the face of vastly superior numbers is also assessed Far from laying out and executing a pre ordained plan Allenby who is probably still best remembered as T E Lawrence s commanding officer in Arabia was flexible and adaptable responding to developments as they occurred JOHN D GRAINGER is the author of numerous books on military history ranging from the Roman period to the twentieth century

**Palestine** Edward J. Erickson, 2016-10-14 The campaigns fought by the Ottomans against the British in Palestine are often neglected in accounts of the Great War yet they are fascinating from the point of view of military history and critically important because of their impact upon the modern Middle East Edward Erickson s authoritative and absorbing account of the four year struggle for control of Palestine between 1914 and 1918 of the battles fought for Suez Sinai Gaza Jordan and Syria opens up this little understood aspect of the global conflict and it does so in a strikingly original way by covering the fighting from the Ottoman perspective Using Turkish official histories and military archives he recounts the entire course of the campaigns from the initial attack by German led Ottoman forces on Sinai and the Suez Canal the

struggle for Gaza and the outbreak of the Arab Revolt to the British offensives the battle for Jerusalem the Ottoman defeat at Megiddo and the rapid British advance which led to the capture of Damascus and Aleppo in 1918      **With Our Army in Palestine - Scholar's Choice Edition** Antony Bluett,2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **With our army in Palestine** Antony Bluett,1919
