**The Working Elf Blues** Piper Vaughn, 2014 Garnet Evergreen has never heard of an elf abandoning the North Pole for a human but he yearns to be the first Ever since he saw Wes the boy with sorrowful eyes Garnet felt an undeniable kinship Over the years he s watched that boy grow into a man and now he s determined to give Wes a Christmas he ll never forget If only Garnet had thought to test his father s sleigh before leaving Orphaned as a child Wes spends every Christmas alone at his cabin When he s woken by a suspicious boom and finds a wrecked sleigh and an unconscious elf he doesn t know how to react Wes isn t fanciful He doesn t give much credence to the stories about Santa Claus and flying reindeer But a part of him wants desperately to believe when Garnet promises forever even if life has taught him that no one ever stays *Rainbow - Uncensored on the Record* , **CMJ New Music Report** ,2002-06-10 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success

**Feminisms and Womanisms** Althea Prince, Susan Silva-Wayne, 2004 Feminisms and Womanisms brings together theory and practical application so that feminist discourse interacts as a partner with the lived experience of women's social action The selections combine classics in feminist thought with work from modern theorists and offer a solid foundation in international feminism The conceptual understanding embedded in the terms feminism and womanism contributes to feminist discourse a carefully differentiated focus on the ideological uses of language to define relationships that have been historically mired in domination The terms also define the way gender often has been used to signify and support domination Given that feminism and womanism are interpretive concepts there is always a sense that knowledge

making is in progress for there is nothing static or stagnant about feminism feminist theory and feminist action The formative nature of the feminist movement has of necessity a parallel interpretive theory This reader embraces both the formative nature of the movement and the accompanying interpretive theories It also pays attention to the chronological cultural geopolitical racial and ethnic landscapes and sites where women live carry out social action and theorize issues of equality For both the general and academic reader this book will be edifying while providing exposure to the feminist womanist voices that inform the scholarship
