The Umpire Was Blind! Jonathan Weeks,2020-05-21 In the words of former American League umpire Nestor Chylak umpires are expected to be perfect on the first day of the season and then get better every day Forced to deal with sullen managers and explosive players they often take the blame for the failures of both But let s face it umpires are only human For well over a century the fortunes of Major League teams and the fabric of baseball history itself have been dramatically affected by the flawed decisions of officials While the use of video replay in recent decades has reduced the number of bitter disputes many situations remain exempt from review and are subject to swirling controversy In the heat of the moment mistakes are often made sometimes with monumental consequences This book details some of these more controversial calls and the men who made them

Tom Candiotti K.P. Wee,2014-08-23 Most baseball fans know Tom Candiotti as a knuckleballer but he began his career as a conventional pitcher in 1983 after becoming just the second player to appear in the major leagues following Tommy John surgery at a time when only Tommy John himself had ever come back from the operation Candiotti whose arm recovered threw fastballs and curveballs in his first two years in the majors before switching over to the knuckleball for the 1986 season He would then go on to use primarily the knuckleball for the rest of his career though he threw a good enough curveball to get hitters out This biography is based on the recollections of Candiotti himself his former teammates and managers newspaper and periodical accounts and archival resources *The New York Yankees All-Time All-Stars* Jim Griffin,2019-08-29 Let s say you re the manager of the most successful professional baseball team in history with every past and current player available on your bench Game time is approaching and the ump needs your line up card Who s your starting pitcher Crafty Whitey Ford lights out Ron Guidry or a big game right hander Is Munson behind the plate or Yogi Who ll bat clean up Who s your DH Combining statistical analysis common sense and a host of intangibles Jim Griffin constructs an all time All Star Yankee line up for the ages Agree with his choices or not you ll learn all there is to know about the men who played for and managed the winning est baseball team of all time *The Yankee Years* Joe

Torre,Tom Verducci,2009-02-03 The definitive story of one of the greatest dynasties in baseball history Joe Torre s New York Yankees When Joe Torre took over as manager of the Yankees in 1996 they had not won a World Series title in eighteen years In that time seventeen others had tried to take the helm of America s most famous baseball team Each one was fired by George Steinbrenner After twelve triumphant seasons with twelve straight playoff appearances six pennants and four World Series titles Torre left the Yankees as the most beloved manager in baseball But dealing with players like Jason Giambi A Rod Derek Jeter Mariano Rivera Roger Clemens and Randy Johnson is what managing is all about Here for the first time Joe Torre and Tom Verducci take readers inside the dugout the clubhouse and the front office showing what it took to keep the Yankees on top of the baseball world *Don't Let Us Win Tonight* Allan Wood,Bill Nowlin,2024-05-21 Now revised and updated to include reflections on the modern era of Red Sox baseball Commemorating the Boston Red Sox s unforgettable
