JONES (Novelist.),1958      **The Year When Stardust Fell** Raymond F Jones,2021-01-19 The copper yellow glow of the comet seemed to have brought the whole world to a grinding halt Airplanes trains generators and heavy machinery were immobilized Finally man was left with only a few primitive tools In the resulting chaos parts of Mayfield were burned and looted by hunger crazed mobs that stole and killed as they advanced Here is science fiction at its thrilling best A startling and thought provoking book that shows how human nature might react to catastrophe      *The Starcombers, the & Year When Stardust Fell* Edmond Hamilton,Raymond F. Jones,2012-06-01 Armchair Fiction presents extra large editions of classic science fiction double novels The first novel is another can t put it down gem by Edmond Hamilton The Starcombers There were immense fortunes to be had on a dying world but Sam Fletcher was a spaceman near the end of his rope He had signed on with Harry Axe s fleet and hated himself for doing so They were just a bunch of greedy space scavengers They took the dead dreams of ancient races and sold them for junk And a love hate relationship with Harry s sultry wife didn t make things any better That all changed though after they stumbled upon this black sunless world filled with priceless alien artifacts It was there that a bitter confrontation with a dying alien race and a fight to the death with some of the most horrible space monsters imaginable taught Sam Fletcher which dreams were really worth dying for The second novel is from the man who gave us This Island Earth Raymond F Jones The Year When Stardust Fell is an engaging sci fi thriller about an Earth in peril Mayfield was the typical college town Nothing too unusual ever happened there until a mysterious comet was suddenly observed by the scientists on College Hill And then one day the modified engine on Ken Maddox s car began overheating mysteriously By morning it didn t run at all Art s Garage local headquarters for hot rodders was soon so full of cars that wouldn t run that Ken s science club began working in the garage after school It didn t take long for the club to discover that all the moving parts on these stalled cars had fused together Soon all machinery had stopped in Mayfield There was no longer any light or power anywhere This mysterious creeping paralysis was spreading The copper yellow glow of the comet seemed to have brought the whole world to a grinding halt Finally man was left with only a few primitive tools in this startling and thought provoking tale that shows how human nature might react to catastrophe      The Alien Raymond F. Jones,2023-10-26 The Alien by Raymond F Jones is a classic science fiction novel that explores themes of identity humanity and extraterrestrial contact Jones narrative introduces readers to a thought provoking story in which an alien entity seeks to understand and interact with the people of Earth The novel delves into the complexities of communication and the impact of a close encounter with an otherworldly intelligence The Alien is a compelling read for science fiction enthusiasts who appreciate explorations of first contact and the mysteries of the cosmos      The Second Deluge Garrett Putman Serviss,2019-11-26 In The Second Deluge Garrett Putman Serviss masterfully weaves a narrative that grapples with the intersection of science fiction and adventure literature delving into apocalyptic themes rooted in both scientific plausibility and human resilience The novel foresees a catastrophic flood that engulfs the Earth prompting a dire need for humanity to

confront environmental devastation Set against the backdrop of early 20th century America the prose is imbued with a rich descriptive style typical of the period drawing upon contemporary scientific theories while reflecting the anxieties surrounding technological advancement and environmental collapse Serviss's work mirrors the burgeoning interest in speculative fiction during the era placing it within the wider literary context of ecological caution and moral introspection

Garrett Putnam Serviss 1851-1929 was an astronomer and an early science fiction writer whose career was shaped by his contemporary scientific community and societal concerns over progress and its repercussions His background in astronomy and his passion for popularizing science provided him with unique insights that inform the thematic depth of *The Second Deluge* Serviss's fascination with speculative possibilities likely spurred him to envision narratives that explore how science intertwines with the fate of humanity reflecting his desire to engage and educate his audience This compelling narrative not only entertains but also serves as a profound reflection on humanity's relationship with nature Readers who enjoy works that challenge perceptions of science and morality will find *The Second Deluge* an insightful read prompting discussions about both the past and the inevitable future we face It is a thought provoking indictment of human folly making it a must read for enthusiasts of speculative fiction and those concerned with our ecological destiny

[The Twilight Zone FAQ](#) Dave Thompson, 2015-11-01 FAQ The Twilight Zone is among the most beloved shows in American television history a pioneering fantasy behemoth that bridged the cultural gap between the 1950s and 1960s with thought provoking mystery mind boggling theorems and occasionally outright horror The Twilight Zone FAQ takes the reader back to that halcyon era looking back on the show and its impact as a force for societal change via reflections on the manifold topics and controversies that the show took on from the space race to the Red Menace from paranoia to madness and beyond Dave Thompson traces the history of the show from its earliest flowering in the mind of then unknown Rod Serling through its slow birth shaky beginning and breathless five season run and he shows how it became the blueprint for so much of the fantasy television that has followed Chapters deal with the comic books novels and many other spin offs including the movie the TV revamps and even the amusement park ride In addition this FAQ offers a full guide to every episode providing details on the cast and music and pinpointing both the best and the worst of the series all adding up to a brightly opinionated time machine that catapults the reader back to the true golden age of American television
