Their Bold Sub Club Alpha Cove English Edition:

His FBI Sub Linzi Basset, 2025-04-17 Tough as nails FBI agent Courtney Sears never expected her mission at Club Alpha Cove to lead her straight into temptation's arms. After six years of isolation following personal tragedy, this tough as nails operative had turned risk-taking into an art form, living only for the job and the loved ones she protected. But club owner Ruark Greer had other plans. From the moment he spotted the fiery beauty, he marked her as his own. Despite Courtney's desperate attempts to maintain her cover and keep her distance, his commanding presence awakened desires she couldn't ignore. Under his skilled hands, submission became a craving she could no longer deny. As their passion deepened, something unexpected happened: the infamous beast found his darker urges softening in the light of her sass and spirit. But with dangerous forces circling and secrets between them, could their newfound connection survive? Or would duty tear apart the healing they'd found in each other's arms.

Their Bold Sub Linzi Basset, 2016-11-10 *Their Bold Sub* is Book 6 in the Club Alpha Cove series. This is a stand-alone full-length novel. However, to enrich your experience, it is recommended that you read the Club Alpha Cove series in order. Skye Marx was a troubled woman joining Club Alpha Cove as a Club sub in hopes of forgetting what her family did to her years ago. To feel a sense of belonging. Yet she was not satisfied. No Master she chose to play with captured her attention. At least not fully, because she selectively stayed away from the powerful Doms. After watching her, the BDSM King and club owner Ruark called her out and gave her an ultimatum: Skye could choose a Master he was satisfied with and remain a Club Alpha Cove sub, or she would have to leave the club. He called Hagan Cullum and Sloan Forrester to oversee her punishment in another matter, but they had other ideas. Both were seasoned commanding Senior Masters at the Club. She should have known Ruark would give her to them. From the beginning, Hagan and Sloan made it clear who was in charge. Would their careers as Senior FBI Agents and the dangers associated destroy their one chance at happiness? Would Skye be able to overcome her fears and stay with them?

The Billionaire's Price Sabel Simmons, 2025-08-13 This book was previously published under my pen name Linzi Basset with the title *Sarah: The Life of Me*. Please note: This book is written in dual POV. Every small town has its outcasts. Sarah Gould wore that badge like a wound, branded by whispers and sideways glances since childhood. But she never expected to trade that scarlet letter for a price tag at The Bellissima, an elite playground where fantasies come with a hefty invoice. The choice wasn't hers. With her mother's life hanging by a thread of debt, Sarah steps into the glittering cage of The Madam's, making her role simple: Be the innocent flower among thorns. Be desirable. Be destructible. Enter Jake Sinclair, billionaire co-owner of this temple of temptation. He's a man who collects pleasures like others collect art, each conquest carefully curated, none lasting beyond sunrise. Until Sarah. One look at her, and his carefully constructed world tilts on its axis. One touch, and he's burning up in flames of his own making. Jake Sinclair always gets what he wants, but this time what he wants might be his undoing. As shadows from Sarah's past lengthen and secrets threaten to shatter their glittering facade, one question remains: In a game where everyone wears a

mask who's really hunting whom Because sometimes the most dangerous player is the one you never see coming Will the puppet master become the puppet Or will both hunter and prey find themselves caught in a web of their own design
