And Then You Were Gone R. J. Jacobs, 2019-03-13 A gripping debut psychological thriller filled with suspenseful twists and turns the perfect weekend read for fans of B A Paris and Mary Kubica Brad Thor 1 New York Times bestselling author The disappearance of her boyfriend sends Emily Firestone's bipolar mania into overdrive and her name to the top of the suspect list After years of learning how to manage her bipolar disorder Emily Firestone finally has it under control Even better her life is coming together she's got a great job her own place and a boyfriend Paolo who adores her So when Paolo suggests a weekend sailing trip Emily agrees wine water and the man she loves What could be better But when Emily wakes the morning after they set sail the boat is still adrift and Paolo is gone A strong swimmer there's no way Paolo drowned but Emily is at a loss for any other explanation Where else could he have gone And why As the hours and days pass by each moment marking Paolo's disappearance Emily's hard won stability begins to slip But when Emily uncovers evidence suggesting Paolo was murdered the investigation throws her mania into overdrive even as she becomes a person of interest in her own personal tragedy To clear her name Emily must find the truth but can she hold onto her own sanity in the process

Then You Were Gone Lauren Strasnick, 2013-01-08 In the tradition of 13 Reasons Why a suspenseful and heart wrenching novel from the author of Nothing Like You and Her and Me and You Two years ago Adrienne's best friend walked out of her life One week ago she left Adrienne a desperate muffled voicemail Adrienne never called back Now Dakota is missing She left behind a string of broken hearts a flurry of rumors and a suicide note Adrienne can't stop obsessing over what might have happened if she'd answered Dakota's call And she's increasingly convinced that Dakota must still be alive Maybe finding and saving Dakota is the only way Adrienne can save herself Or maybe it's too late for them both **But then you were gone.**

Life is a Story - story.one Emily Kleinert, 2024-04-14 Did you ever wonder why that boy or girl never text you back This is the heartbreaking story of Wren Carter and Vince McAllen They met they fell they lost each other Follow them through their story from the beginning to the end **Fiddle:** Vivian Wagner, 2010-05-01 Fiddling suddenly seemed vitally important even necessary for me to learn Perhaps it had to do with grief for my mom's death and with the fact that I was just starting to feel the inklings of a midlife crisis coming on All I knew consciously though was that I had to learn it After a chance encounter with fiddle music Vivian Wagner discovered something she never knew she had lacked The fiddle had reawakened not only her passion for music but for life itself From the remote workshop of a wizened master fiddle maker in the Blue Ridge Mountains to a klezmer band in Cleveland from Cajun fiddle music in Katrina ravaged New Orleans to a fiddle camp in Tennessee Vivian's quest to master the instrument becomes a journey populated by teachers and artisans and ultimately creates a community that fortifies her through an emotionally crushing loss Intimate and enlightening this is a story about the unique gifts of the fiddle the redeeming power of music the freedom of improvisation and the importance of knowing that even though a song may reach its end there's always a new tune to learn Charming smart lyrical and surprising I recommend

it to anyone savage beast or not who needs their soul soothed Suzanne Finnamore international bestselling author of Split
