THESIS

A thesis is a long academic paper that typically serves as the final project for a university degree

Thesis is usually the final project

Tends to be longer than a research paper and takes more time

Written under the supervision of an academic supervisor

Students have to complete a thesis in order to complete their degree

RESEARCH PAPER

A research paper is a type of academic writing that involves research, source evaluation, critical thinking, organization, and composition

Students may be required to write research papers for assignments and homework

Shorter and takes less time

Usually not written under supervision

Students write research papers to expand their knowledge
