Video Experience Focus On The Family,2014 **In One Person** John Irving,2012-05-08 Billy a solitary bisexual man is dedicated to making himself worthwhile **Dressing Renaissance Florence** Carole Collier Frick,2005-07-20 As portraits private diaries and estate inventories make clear elite families of the Italian Renaissance were obsessed with fashion

investing as much as forty percent of their fortunes on clothing In fact the most elaborate outfits of the period could cost more than a good sized farm out in the Mugello Yet despite its prominence in both daily life and the economy clothing has been largely overlooked in the rich historiography of Renaissance Italy In *Dressing Renaissance Florence* however Carole Collier Frick provides the first in depth study of the Renaissance fashion industry focusing on Florence a city founded on cloth a city of wool manufacturers finishers and merchants of silk dyers brocade weavers pearl dealers and goldsmiths From the artisans who designed and assembled the outfits to the families who amassed fabulous wardrobes Frick's wide ranging and innovative interdisciplinary history explores the social and political implications of clothing in Renaissance Italy's most style conscious city Frick begins with a detailed account of the industry itself its organization within the guild structure of the city the specialized work done by male and female workers of differing social status the materials used and their sources and the garments and accessories produced She then shows how the driving force behind the growth of the industry was the elite families of Florence who in order to maintain their social standing and family honor made continuous purchases of clothing whether for everyday use or special occasions for their families and households And she concludes with an analysis of the clothes themselves what pieces made up an outfit how outfits differed for men women and children and what colors fabrics and design elements were popular Further and perhaps more basically she asks how we know what we know about Renaissance fashion and looks to both Florence's sumptuary laws which defined what could be worn on the streets and the depiction of contemporary clothing in Florentine art for the answer For Florence's elite appearance and display were intimately bound up with self identity *Dressing Renaissance Florence* enables us to better understand the social and cultural milieu of Renaissance Italy

The Fourth Hand John Irving, 2010-07-21 *The Fourth Hand* asks an interesting question How can anyone identify a dream of the future The answer Destiny is not imaginable except in dreams or to those in love While reporting a story from India a New York television journalist has his left hand eaten by a lion millions of TV viewers witness the accident In Boston a renowned hand surgeon awaits the opportunity to perform the nation's first hand transplant meanwhile in the distracting aftermath of an acrimonious divorce the surgeon is seduced by his housekeeper A married woman in Wisconsin wants to give the one handed reporter her husband's left hand that is after her husband dies But the husband is alive relatively young and healthy This is how John Irving's tenth novel begins it seems at first to be a comedy perhaps a satire almost certainly a sexual farce Yet in the end *The Fourth Hand* is as realistic and emotionally moving as any of Mr Irving's previous novels including *The World According to Garp* *A Prayer for Owen Meany* and *A Widow for One Year* or his Oscar winning screenplay of *The Cider House Rules* *The Fourth Hand* is characteristic of John Irving's seamless storytelling and further explores some of the author's recurring themes loss grief love as redemption But this novel also breaks new ground it offers a penetrating look at the power of second chances and the will to
