in Ibo's society in which the subordination of women is broken. These questions allow the paper to take female rebellion into consideration and to keep the analysis open to a variety of readings of the novel without purely focussing on the reader's first impression of the dominance of manhood.

The Fiction of Chinua Achebe Jago Morrison, 2009-07-23 Since the emergence of *Things Fall Apart* in 1958 Chinua Achebe has come to be regarded by many as the Godfather of modern African writing. Over 150 full length studies of his work have been published together with many hundreds of scholarly articles. This Reader's Guide enables students to navigate the rich and bewildering field of Achebe criticism setting out the key areas of critical debate the most influential alternative approaches to his work and the controversies that have so often surrounded it. The Guide examines Achebe's key novels with the main focus on *Things Fall Apart* and also discusses his less well known short fiction. Including discussion of important Nigerian scholarship that is often inaccessible this is an invaluable introduction to the work of one of Africa's most important and popular writers.

The Death of Jesus and the Politics of Place in the Gospel of John Peter Claver Ajer, 2016-09-01 This book's findings are rich and intriguing. In his death Jesus the chief architect in the production of space in the Christian realm founds an alternative community that reorders space and creates a new reality for believers. This new community which dwells in this radical new space successfully resists the domination of oppressive regimes and mindsets such as the Roman Empire. Suffering is transformed here. Many recent biblical studies have utilized various methodologies and historical critical viewpoints which have been helpful. However drawing on theories of space and postcolonial approaches Dr Ajer breaks new ground in Johannine studies a new terrain that will yield much fruit. The new understandings of space provide a key with which we may unlock more of the mysteries of the Fourth Gospel as Ajer here demonstrates with powerful new discoveries and insights into John's Passion narrative.
