The Real Psychology of the Trump Presidency Stanley Renshon, 2020-09-14 The United States has never had a president quite like Donald J Trump He violated every rule of conventional presidential campaigns to win a race that almost no one including at times he himself thought he would win In so doing Trump set off cataclysmic shock waves across the country and world that have not subsided and are unlikely to as long as he remains in office Critics of Trump abound as do anonymously sourced speculations about his motives yet the real man behind this unprecedented presidency remains largely unknown In this innovative analysis American presidency scholar and trained psychoanalyst Stanley Renshon reaches beyond partisan narrative to offer a serious and substantive examination of Trump's real psychology and controversial presidency He analyzes Trump as a preemptive president trying to become transformative by initiating a Politics of American Restoration Rigorously grounded in both

political science and psychology scholarship The Real Psychology of the Trump Presidency offers a unique and thoughtful perspective on our controversial 45th president **Donald Trump in 100 Facts** Ruth Ann Monti,2018-01-15 The most divisive most outrageous president ever a mind reeling review on Donald Trump As a dip in fact file or read straight through your jaw will hit the floor either way *In Search of Sleep* Bregje Hofstede,2023-03-14 Bregje Hofstede is an extraordinary writer Rutger Bregmans author of Utopia for Realists and Humankind A Hopeful History Jenny Odell s How to Do Nothing meets Matthew Walker s Why We Sleep in this fascinating deep dive into the science and history of sleep In Search of Sleep is both a self help manual for insomniacs and a sweeping critique of the hustle culture that blinds us to the real reasons we lie awake at night from politics to pandemics to poverty Amsterdam based writer Bregje Hofstede struggled with insomnia for 10 years but advice from doctors and books always felt lacking in perspective Wasn t insomnia more than just an individual struggle Might it also be a rational reaction to our increasingly turbulent world Unlike the vast majority of books about sleep In Search of Sleep examines insomnia as both a physical and psychological condition and an early warning sign that something is off in society As Hofstede points out studies show that insomnia increased during the pandemic and that people with less money sleep the worst She also shows that sleeplessness is tied inextricably to loneliness while meaningful relationships can provide the security we need to slumber Interweaving neuroscience cultural anthropology history and interviews with experts In Search of Sleep invites us to see insomniacs as oracles not oddballs and offers a unique way forward for the sleep deprived and the dreamless If we are aware of both the small and large forces that keep us awake then we can begin to take political action reimagine the role of sleep in our own lives and rid ourselves of insomnia for good

Positive Academic Leadership Jeffrey L. Buller,2013-03-26 In Positive Academic Leadership Jeffrey Buller offers new insights and practical tools as well as language and tactics for fostering a more effective approach to leadership With acumen and a dash of humor he shows leaders how they can take the focus off the negative and change what they say their perspectives and their strategies This more constructive leadership style plays to the strengths of leaders rather than to the weaknesses of their institutions Offering time tested and fresh ideas for becoming the type of leader who acts as a coach counselor and conductor for faculty staff and students Buller demonstrates how positive leadership can become a day to day practice With its down to earth style the book draws on the most current research on positive leadership in neuroscience psychology management organizational behavior and other disciplines and translates their lessons into readable and accessible recommendations It then makes these recommendations come to life by providing real world examples that illustrate how to implement positive leadership strategies in all spheres of the leader s activities and institution Positive Academic Leadership is a wise guide for transforming any leader s attitude about inevitable daily crises into manageable challenges that are based on a philosophy of accepting the environment and situation but working to make things better
