Graham thinks he's nuts After being persuaded into a night time visit to Epsom Downs though he becomes convinced that he's for real Yes this is the very Earthy start of the epic series of 4 books telling the story of space alien Mart and how he met Sandy his Earth girlfriend It took almost 30 years to write and gained an almost cult following when first released as a daily blog Where thousands were tuning in every day to watch Mart's adventures as he struggles through his secret Earth existence Learn to tell your age in his years and point up to his home planet in this fun and very original story Around 600 pages in the printed version Featuring around 20 colour picture chapter markers by Martin Wiseman **Ugly** Emma Adams,2010-09-23 In a world ever more focused upon global warming climate change and the increased scarcity of resources Ugly is a dark comedy set in a future where food and water are dangerously scarce A tale of four people who may have to kill their angels and become more like their devils if they are going to survive Emotional intense and visceral this play breaks rules It will also break your heart Ugly is not pretty a timely reminder of what we are doing to our planet reading it might just change your life

Seraphim Joshua Perry,2024-07-23 Seraphim is a thrilling page turner as well as a deeply humane investigation into the many forms of justice It will make you look at the world differently as much as a book could hope to do Jonathan Safran Foer author Everything is Illuminated From a former New Orleans public defender comes a gritty and thrilling interrogation of crime violence and the limits of justice in the chaotic times after Hurricane Katrina A 16 year old confesses to the murder of a local celebrity a hero of New Orleans's shaky post storm recovery The boy's father doing life in prison on the installment plan for a series of minor offenses will do anything to save him Enter Ben Alder a carpetbagging attorney and former rabbinical seminary student who has drifted down to New Orleans He winds up defending them both Ben and his partner Boris are public defenders obsessed with redeeming their case history of failures and willing to do anything to protect their clients As Ben tries to disrupt a corrupt and racist criminal justice system that believes an inexplicable crime has been solved he confronts his own legacy of loss and faith And as the novel hurtles towards its tragic redemptive conclusion Ben finds himself an onlooker and a perpetrator where he thought he was the hero A riveting and propulsive story about loyalty and grief Seraphim is also an unflinching cross examination of a broken legal system a heartbreaking portrait of a beautiful lost city filled with children who kill and are killed and a discomfiting reflection on privilege prejudice and power

Alex Faraway G. F. Brynn,2024-01-30 Only a week after a fierce battle in the abandoned scrapyard against the wicked horde of large insect bots known as The Others culminating in their destruction when the huge Mars Biosphere spaceship blasted its way out of the scrapyard Alex Faraway waits impatiently for his long missing father's promised return from that planet But Dart Alex's large robotic Guardian Dragonfly is unsure if the sinister creatures from his own past are gone for good The robot flies regular patrols over the 100 acre scrapyard until one morning he abruptly disappears Alex goes in search of his adventurous friend unaware that the plot to invade Mars and destroy the last remaining Martians before they awaken from their hibernation Time Tombs is far from finished The battle from the previous week has

only added weight to the might of The Others and has triggered the arrival in the scrapyard of an ever more powerful robot one with brutish motivation to complete the creation of a deadly machine from ten thousand years ago And now not only is Mars in their sites but Earth is as well Something new powerful and frightening is also happening to Alex Faraway with each passing day and each time he uses the strange Martian made device called a Luss His nightly dreams of an ancient people long forgotten are growing more physical in nature as the Glass Tunnels blur the immutable barrier between past and present dreams and reality The Ghosts and the Nethlins are coming And all the while the unknown rogue world the shadowy Planet X draws ever nearer to its ten thousand year close encounter with Mars What mysteries from the distant past does that strange glittering world hold *Getting the Buggers to Behave* Sue Cowley,2006-01-01 Features two chapters on managing confrontation and working with parents **Daisy's Summer Essay: Book 1** Marci Peschke,2011-01-01 Daisy tries to write an essay to impress her wonderful new teacher Ms Lilly after Ms Lilly calls her class super smart superstars and Daisy wants to prove she is both *Blue Moon Investigations: Case Files 7-9* Steve Higgs,2019-10-25 The paranormal It's all nonsense but proving might just get them killed Delve into a world where supernatural crimes are investigated by two detectives standing alone to protect those that call on them In the brooding dark landscape of England with its rolling hills and forgotten castles the dark breeds evil in every shadow Or stupid some of them definitely just contain stupid With millions of pages read and thousands of books sold the Blue Moon paranormal investigation series will grip you from the start and rob you of sleep as you continue turning pages until well after your bedtime It is action packed but funny fast paced yet intriguing and there are 15 stories already written Get the third instalment of case files and 3 excitement filled stories in this omnibus edition and save a pile against buying them individually The Witches of East Malling There's a storm brewing It's late Autumn in England but the wet weather is hiding a dark crime witches using lighting to kill Hired to investigate Tempest soon becomes a target himself when he comes face to face with a witch and she knows who and what he is Is he closing in on the coven or are they closing in on him The deadly conclusion will leave you breathless Crop Circles Cows and Crazy Aliens Aliens Really There are lights in the sky crop circles in the fields and the cows are producing glowing milk It's Amanda's case and seems a simple one until the first body shows up Suddenly she has a mystery person leaving her clues an internet star trying to help her investigation and conspiracy nuts raining from the sky Is this the first wave of an alien invasion or something far worse Whispers in the Rigging His dad reported stories of a ghost in the old Royal Dockyard but that's not why Tempest is going undercover He's there because his dad was found unconscious in a dumpster when he tried to poke around Now Tempest must find out what is going on but all too soon he realises there's something beneath the dockyard that is much worse than ghosts Praise for the Blue Moon Investigation series and Steve Higgs Be prepared to struggle with getting anything else done as you will want to keep reading Supernatural overtones with a hint of sexual tension interspersed with humor make this a fantastic book Truly delightful tales of mystery and misadventure Higgs is a wonderful author with great

character development which includes an enticing cast of misfits A great crime comedy with a group of zany characters I really enjoyed the book and look forward to the next one Highly recommended Higgs makes everything and everyone come alive
