Read before using your tablet

The following information provides critical safety and regulatory information for the tablet. Read this information carefully to ensure safe use of the tablet.

Read first — regulatory information

Computer products equipped with wireless capabilities comply with the radio frequency and safety standards of the country or region in which it has been approved for use. In addition, if your product contains a wireless antenna, it complies with the requirements for operation in the frequency band in your country.

Be sure to read the Regulatory Notice for your country or region. You can find the Regulatory Notice in the User Guide. To obtain a copy, contact your local regulatory authority or go to the following website: <http://www.fcc.gov>

Downloading publications

Electronic versions of our computer publications are available from the Lenovo Support site. To download the publications for your computer, go to <http://www.lenovo.com/ThinkPadUserGuides> and follow the instructions on the screen.

Service and Support Information

The following information describes the technical support that is available for your product during the warranty period throughout the life of your product. Refer to the Lenovo Limited Warranty for a full description of warranty coverage.

Information about warranty coverage is in the "Lenovo Limited Warranty" section later in this document for details on accessing the full warranty.

Online technical support

Online technical support is available during the lifetime of a product at <http://www.lenovo.com/support>.

Telephone technical support

You can get help and information from the Customer Support Center for telephone. Before contacting customer technical support representatives, please have the following information available: model and serial number, the exact wording of any error message, and a description of the problem.

Your technical support representative might need to ask you through the phone while you are at your computer during the call.
