The Works Of William Perkins Volume 1:

The Works of William Perkins, Volume 9 William Perkins, 2020-03-27 This ninth volume brings together nine of Perkins's lesser known practical treatises and by so doing introduces the reader to important facets of his religion of the heart. It opens with two works on what it means to look to Christ: *A Declaration of the True Manner of Knowing Christ Crucified* and *The True Gain*. This is followed by *A Faithful and Plain Exposition upon Zephaniah 2:1-2* which gives an earnest call to repentance and *The Nature and Practice of Repentance* as well as *The Combat of the Flesh and Spirit* which give systematic explanations of the doctrine of repentance. *A Treatise of Man's Imaginations* discusses man's desperate need for renewal of mind. *A Direction for the Government of the Tongue* According to God's Word argues that one's speech is the most significant change related to a renewed heart. The volume finishes with *A Discourse of the Damned Art of Witchcraft* and *A Resolution to the Country Man on Prognostication* which rebuke those who dally with occult practices. Each treatise in this volume occupies an important place in Perkins's experiential piety, what he himself described as the more sincere profession of religion.

The Works of William Perkins, Volume 1 William Perkins, 2014-12-29 The present volume contains three of Perkins's treatises. The first is *A Digest or Harmony of the Books of the Old and New Testament* which offers a synopsis of the Bible that relates sacred history to the chronology of the world. Dating God's creation of the universe in 3967 BC, Perkins develops his overview of redemptive history that culminates in the final judgment. The second treatise is *The Combat between Christ and the Devil Displayed* Expounding Matthew 4:1-11. Perkins shows how Christ's temptation in the wilderness 1 set Jesus up to serve as the second Adam, overcoming Satan's temptation in a way the first Adam did not 2 reveals how the devil assaults the church so that we might be better prepared to resist his temptations and 3 equipped Christ to be a sympathetic high priest to those who are tempted. The third and most significant treatise is *A Godly and Learned Exposition upon Christ's Sermon in the Mount*. Hereof I have chosen to entreat, says Perkins, because it is a most divine and learned sermon and may not unfitly be called the Key to the whole Bible for here Christ opens the sum of the Old and New Testaments. The fact that Perkins saw the Sermon on the Mount as unlocking the meaning of Scripture in its entirety suggests that his understanding of what Christ declares in Matthew 5:7 was pivotal to the development of his theology and piety.

Series Description The Works of William Perkins fills a major gap in Reformed and Puritan theology. Though Perkins is best known today for his writings on predestination, he also wrote prolifically on many subjects. His works filled over two thousand large pages of small print in three folio volumes and were reprinted several times in the decades after his death. However, his complete works have not been in print since the mid-seventeenth century. This modern typeset edition of the Works includes four volumes of Perkins's expositions of Scripture, three volumes of his doctrinal and polemical treatises, and three volumes of his practical writings.

The Works of William Perkins, Volume 4 William Perkins, 2016-12-20 This fourth volume contains Perkins's expositions of Jude and Revelation 1-3.

The Works of William Perkins, Volume 5 William Perkins, 2017-11-15 This fifth

volume begins the doctrinal treatises of Perkins with three contributions of catechetical theology The first treatise is An Exposition of the Symbol or Apostles Creed Examining the contours of Christian faith Perkins handles each article of the Creed according to its basic meaning the duties it calls us to and the consolation it brings He closes the entire work by explaining how the Creed is a storehouse of remedies against all troubles and temptations whatsoever The second treatise is An Exposition of the Lord s Prayer Detailing the chief Christian desires Perkins explains the meaning of the petitions of the Lord s Prayer and the manifold uses for each Perkins closes his exposition with the proper uses of the Lord s Prayer in general the circumstances related to the way we pray and a word on God hearing our prayers This treatise also includes a collection of prayers with short expositions from the Bible and a poetic song gathered out of the Psalms containing the sobs and sighs of all repentant sinners The third treatise is The Foundation of Christian Religion Gathered into Six Principles which sets down the principle points of Christian religion in order to establish readers in true knowledge unfeigned faith and sound repentance Providing a rudimentary understanding of the Ten Commandments the Creed the Lord s Prayer and the two sacraments Perkins s Foundation sets a framework for people to profit more from sermons and to receive the Lord s Supper with comfort *The Works of William Perkins, Volume 6* Joel R. Beeke, 2019-07-27 This sixth volume begins with three important works on predestination The first is A Golden Chain which treats the main points of theology with an emphasis on the order of the causes of salvation and damnation The second is A Christian and Plain Treatise of the Manner and Order of Predestination which gives a strident defense of the sovereignty of God in election and reprobation The third A Treatise on God s Free Grace and Man s Free Will examines the responsibility of man and how that harmonizes with the will of God in ordaining all things These treatises showcase Perkins s scholarly and pastoral concerns on matters vital to the salvation of sinners Table of Contents Golden Chain Foldout poster in the front Manner and Order of Predestination Treatise on God s Free Grace and Man s Free Will Fruitful Dialogue Concerning the End of the World Against Alexander Dickson On Memory *The Works of William Perkins, Volume 8* William Perkins, 2019-07-31 This eighth volume includes five treatises meant to promote a good conscience before God A Discourse of Conscience establishes a framework for understanding the importance of conscience and how it functions The Whole Treatise of the Cases of Conscience is an extensive treatment of casuistry that treats man in his three principle conditions by himself in relation to God and in relation to others A Treatise Tending unto a Declaration whether a Man Is in the Estate of Damnation or in the Estate of Grace distinguishes between true and false professors demonstrates how Roman Catholicism falls short of assurance and highlights the devil s attempts to sully the consciences of God s people A Case of Conscience gives full attention to the importance of personal assurance of salvation A Grain of Mustard Seed provides consolation to weak Christians by encouraging them to recognize and grow in gratitude for the grace they have There is much in the present volume to commend to the reader but what clearly stands out is Perkins s skill as a spiritual adviser **The Works of William Perkins, Volume 7** William Perkins, 2018-12-15 This

seventh volume includes three treatises that strike a helpful balance of emphases on theology history and practice A Reformed Catholic exists as a systematic theological presentation of Perkins s Reformed soteriology in contrast with the Church of Rome Perkins s Problem of the Forged Catholicism is an exercise in historical theology proving from the primary source documents of church history that the Roman Catholicism articulated at Trent is not supported by the first twelve hundred years of the church s witness A Warning Against Idolatry handles worship practices including liturgies ceremonies customs and rites concluding that all the externals of worship must be regulated by Scripture in the strictest sense Taken as a whole Perkins s polemical work against the Church of Rome draws a clear dividing line between Roman Catholicism and the Reformed tradition

The Works of William Perkins, Volume 4 William Perkins, 2017-03-25 This fourth volume contains two treatises of biblical exposition The first treatise is A Godly and Learned Exposition upon the Whole Epistle of Jude Finding the purpose of Jude s letter in verse 3 Perkins calls for all Christians to persevere in professing the gospel by taking heed of false teachers and deceivers who seek to infiltrate the church While many of his points of application reflect a context peculiar to the Elizabethan era his insights into what it means to contend for the faith still prove applicable today The second treatise is A Godly and Learned Exposition or Commentary upon the Three First Chapters of Revelation giving careful consideration of the seven letters to the seven churches of Asia Perkins highlights the person of Christ and His significance to the church focuses on what Christ approves and rebukes about the condition of the church and emphasizes Christ s bounty and humanity s duty Troubled by the prevalence of those who accept empty profession as conversion and dead formality as godliness Perkins urges his audience to move beyond mere intellectual assent to heartfelt dedication to Christ

The Works of William Perkins, Volume 2 William Perkins, 2015-10-12 This second volume contains Perkins s Commentary on Galatians Perkins preached on Galatians each Lord s Day for over three years Ralph Cudworth obtained Perkins s handwritten notes and edited them for publication Because Perkins did not complete the commentary Cudworth supplemented the manuscript with his own comments on chapter 6 This commentary of Perkins and Cudworth on Galatians first appeared in print in 1604 two years after Perkins s death Perkins s other writings had already begun to be gathered and published When the three volume edition of his collected works first appeared Galatians occupied over 320 large folio pages in the second volume 1609 It continued to appear as a part of several editions of the Works through their final 1635 reprint Evidently interest in the commentary warranted its publication again as a separate volume in 1617 Following the model taught in his treatise The Art of Prophesying Perkins s pattern in commenting on Galatians is to explain the text deduce a few points of doctrine from it answer objections raised against the doctrine and then give practical uses of what the passage teaches

The Works of William Perkins, Volume 3 William Perkins, 2017-01-30 This third volume from the Works of William Perkins collection contains Perkins s A Cloud of Faithful Witnesses Leading to the Heavenly Canaan which was his exposition of Hebrews 11 Within Perkins contends that the whole chapter of Hebrews 11 is meant to urge readers to

persevere in faith by persuading them of the excellence of faith In his characteristic manner Perkins brings the abiding importance of this message through careful exegesis and perceptive application In an age of cheap faith and easy believism this exposition offers us a way to put our faith to the test to try it against the faith of the great cloud of witnesses and in the end to put it into practice assured that God's mercy will uphold us for life [The Works of William Perkins, Volume 10](#) William Perkins, 2020-05-15 This tenth volume brings together seven treatises that demonstrate Perkins's core conviction that the gospel touches all of life by bringing it under the rule of Scripture Treatise on How to Live Well in All Estates opens the volume with a description of the reign of faith in Christians hearts so that they avoid sin and pursue the will of God in all they do Treatise on Vocations explains how God calls Christians to live out their faith in whatever responsibilities they hold within society Right Manner of Erecting and Ordering a Family applies the concept of vocation to life in the home Calling of the Ministry applies vocation to the church describing the duties and dignities of the ministers of Christ Art of Prophecy equips those called to the ministry with the proper manner and method of preaching God's Word Christian Equity exhorts Christians to maintain justice and preserve peace whether in families church or the greater commonwealth Having finished with principles of living by faith the volume ends with Treatise on Dying Well which discusses the importance of faith at the end of life [Living Blessedly Forever](#) Stephen Yuille, 2012-01-18 William Perkins described God's all sufficiency as His blessedness This view of God shaped his understanding of Christian piety leading him to define theology as the science of living blessedly forever For Perkins godliness flows from the enjoyment of God In Living Blessedly Forever J Stephen Yuille demonstrates how Perkins practically taught about God joy and the Christian life through his preaching on the Sermon on the Mount Yuille begins with a brief account of Perkins's life and ministry considering several factors that shaped Perkins's interpretation and application of the Sermon on the Mount He then examines Perkins's exposition of Matthew 5-7 identifying six marks of godliness blessedness repentance righteousness sincerity contentment and faithfulness and concluding with a challenge to join practice with knowledge of the word of Christ Yuille's work is more than a simple look at a sermon series given by a Puritan While you will learn much about Perkins's approach to the Sermon on the Mount you will also be challenged to live blessedly forever **The Works of John Cotton, Volumes 1-5** John Cotton, 2025-11-13 John Cotton shaped the doctrine worship and discipline of a fledgling society striving to live fully under God's Word With clarity conviction and pastoral warmth he addressed both the great ecclesiastical questions and the intimate personal wrestlings of his time The Works of John Cotton gathers his most important treatises and sermons in a newly edited cloth bound set It recovers a vital link in the chain of Reformed thought and reintroduces a voice that helped shape the American church before it had a name [The Works of William Perkins](#) William Perkins, 2018-05-12 The Works of William Perkins fills a major gap in Reformed and Puritan theology Though Perkins is best known today for his writings on predestination he also wrote prolifically on many subjects His works filled over two thousand large pages of small print in three folio volumes and were

[A History of Christian Conversion](#) David W. Kling, 2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines

conversion and no easily explicable process accounts for why people convert to Christianity. Rather, a multiplicity of factors—historical, personal, social, geographical, theological, psychological, and cultural—shape the converting process. *A History of Christian Conversion* not only narrates the conversions of select individuals and peoples; it also engages current theories and models to explain conversion and examines recurring themes in the conversion process: divine presence, gender and the body, agency and motivation, testimony and memory, group and self identity, authentic and nominal conversion, and modes of communication. Accessible to scholars, students, and those with a general interest in conversion, Kling's book is the most satisfying and comprehensive account of conversion in Christian history to date. This major work will become a standard must read in conversion studies.
