The World Is The Home Of Love And Death:

Love and Death in the Great War Andrew J. Huebner, 2018 Americans today harbor no strong or consistent collective memory of the First World War Ask why they fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention started from the moment President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications Love and Death in the Great War argues was a more durable and resonant one Americans would fight for home and family Intervention came at a moment when arbiters of tradition regarded those very institutions the white family in particular under pressure from all sides industrial work women s employment immigration urban vice woman suffrage and most incendiary the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children Americans would fight many said to protect the family literally but also indirectly War promised to restore convention stabilize gender roles and sharpen male character Love and Death in the Great War tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence Huebner merges untold stories of men and women from Missouri Wisconsin Alabama Louisiana and other places with a history of wartime culture Studying the radiating impact of war alongside the management of opinion he recovers the conflict s emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises Telling the war story as a love story however generated contradictions and challenges some subtle some transformative some violent African Americans and women serving in the army disrupted narratives of white chivalric rescue Military life proved inhospitable to virtue Death and injury brought destruction not regeneration An army of mostly drafted men sought recompense for lives interrupted as much as patriotic or personal credibility After the Great War the mobilization of real and symbolic families would never quite look the same again

Hawaiian idylls of Love and Death Herbert Henry Gowen, 2020-09-28 Kaneakama was as handsome a young fellow as you could have found on the eight islands neither unknown to war nor unskilled in divination and the learning of the priests But he had one vice he was an inveterate gambler And here he sat in his grass hut on the slopes of the Olukui feeling as miserable as any wretch of to day who had squandered his patrimony at Monte Carlo for he had been playing maika the whole day long and luck had been against him at every throw The devil he thought must have been in the smooth black stones throw as he might they would not go straight Yes they were certainly bewitched And now he had nothing to call his own but one little pig everything was lost Why did he not stake the pig you ask Ah Kaneakama had asked himself that question many a time that evening but had each time repelled the very thought as a temptation For he had dedicated this pig to his Aumakua or tutelary divinity and with all his faults he was too pious to break his vows to the gods So although happy thus far in the possession of a good conscience he nursed his grief until the kind divinities sent their messenger sleep welcome to all men everywhere And as Kaneakama slept he had a wonderful vision The song of a bird broke upon his ear then the sweet sounds transformed themselves into an aura of radial light and in the light he beheld the loveliest form he had ever seen It was that of a young girl but Kaneakama's first impression was that it was some glorious bird for he wanted to get up and throw a mat across the door lest she should fly away Her black hair fell in a great shadow behind her like a pair of wings no chief arrayed for battle had feather cloak so rich in orange and scarlet as that which clung to her perfect form from throat to shapely knee Her eyes too even in the bright aura which encircled her shone like stars in the night Kaneakama gazed he knew not how long and when he came to himself he was only conscious of having received a command from the goddess for such indeed was his adorable visitant to take his dedicated pig and stake it as he had done the rest You see the gods and goddesses of ancient Hawaii had rather backward ideas regarding the morality of gambling However Kaneakama is not to be blamed for this He did as his divinity had told him

and now if the ill luck of his former experience had been surprising still more so was the turn of fortune which seemed to pour riches into his lap He went home from that day s maika playing a rich man but remembering the source of his wealth he determined to dedicate one half of it to the service of the goddess and to build a temple where she might dwell and receive his worship This he did and no sooner was the temple so far completed that it only lacked its central idol than once more the vision of the Aumakua broke in upon his sleep This time there was no doubt about the voice It was as sweet to hear as the vision was to see Go to the king O Kaneakama it said tell him that the akua wish to dwell in the temple made by man in the shadow of his court Power shall be his if he will shelter them Let him send warriors with their axes and knives to the top of Maunaloa Out of the wood let them hew me an image and this shall be my shrine in the heiau you have built and you O Kaneakama shall be my high priest worshipper and lover of Kalaipahoa terrible to mortals When Kaneakama awoke he hastened to obey the command and the king was pleased to hear of the honours in store Three hundred men were chosen and these carrying besides their weapons great folds of kapa for the venom of the poison goddess was a thing to be dreaded set out on their march Kaneakama commissioned by the king went before them as a guide to the spot designated in his sleep As they marched they recalled all they had heard of the poison goddess how she had come from an unknown land to Molokai and had made her home on Maunaloa There so it was said the earth was burnt and blackened and the birds fell dead as they flew over it It was moreover the dwelling place of Laamaomao the god of the winds and at any moment a strong spirit of the air might break loose from the calabash of the god and hurl the intruders afar into the Paiolo Channel A Walk with Love and Death Hans Koning,2011-01-01 During the plague year of 1358 Heron a French student decides to walk to the sea and then to seek passage to England His journey symbolizes freedom as he turns his back on both the ruling oligarchy and the peasant armies forming all over Europe He travels through a chaotic wasteland where armies clash for unknown reasons where the barren countryside is plagued by robbers and warlords He meets death destruction and famine before finally finding Claudia the daughter of a medieval lord Heron s quest stemming from a desire to create an ideal world out of a violently cruel one leads him through despair and danger before delivering him to love Originally published in 1961 A Walk with Love and Death was the third novel by Hans Koning Koningsberger and was directed as a film by John Huston in 1969

Farwell, 2006 Original Scholarly Monograph Love & Death Forrest Church, 2008-09-01 Nearing his final days a beloved Unitarian minister meditates on life love and death The goal is to live in such a way that our lives will prove worth dying for On a February day in 2008 Forrest Church sent a letter to the members of his congregation informing them that he had terminal cancer his life would now be measured in months not years He went on to promise that he would sum up his thoughts on the topics that had been so pervasive in his work love and death in a final book Church has been justly celebrated as a writer of American history but his works of spiritual guidance have been especially valued for their insight and inspiration As a minister Church defined religion as our human response to the dual reality of being alive and having to die The goal of life he tells us is to live in such a way that our lives will prove worth dying

for Love Death is imbued with ideas and exemplars for achieving that goal and the stories he offers all drawn from his own experiences and from the lives of his friends family and parishioners are both engrossing and enlightening Forrest Church s final work may be his most lasting gift to his readers *The Existence* Theodore Ihejieta,2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings

The Science of Modern Virtue Peter Lawler,Marc Guerra,2013-11-01 The Science of Modern Virtue examines the influence that the philosopher Rene Descartes the political theorist John Locke and the biologist Charles Darwin have had on our modern understanding of human beings and human virtue Written by leading thinkers from a variety of fields the volume is a study of the complex relation between modern science and modern virtue between a kind of modern thought and a kind of modern action Offering more than a series of substantive introductions to Descartes Locke s and Darwin s accounts of who we are and the kind of virtue to which we can aspire the book invites readers to think about the ways in which the writings of these seminal thinkers shaped the democratic and technological world in which modern human beings live Thirteen scholars in this volume learnedly explore questions drawn from the diverse disciplines of political science philosophy theology biology and metaphysics Let the reader be warned The authors of these essays are anything but consensual in their analysis Considered together the chapters in this volume carry on a lively internal debate that mirrors theoretical modernity s ongoing discussion about the true nature of human beings and the science of virtue Some authors powerfully argue that Locke s and Darwin s thought is amenable to the claims made about human beings and human virtue by classical philosophers such as Aristotle and classical Christian theologians such as Thomas Aquinas Others make the opposite case drawing attention to the ways in which Descartes Locke and Darwin knowingly and dialectically depart from central teachings of both classical philosophy and classical Christian theology **Love and Death** Aurobindo Ghose,1924 *Love*
