Yost,2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library and the author s 2017 book The Pastor s Library Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you **Revelation Exegetical Commentary - 2 volume set** Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest Walking And Talking With God Phil Walter,2023-10-04 Have you ever wondered what it would be like to live in the Garden of Eden Just think Adam and Eve enjoyed a beautiful home with the marvelous privilege of walking and talking with God Do you think there is a way to recapture some of that glorious communion with God on this side of eternity Author Phil Walter believes there is He maintains that people can enjoy sweet fellowship and powerful conversations with God that are reminiscent of

Eden In Walking and Talking with God he shares some biblical principles that will help followers of Christ experience some of that soul stirring relationship that was lost in Eden Phil learned these lessons through his in depth study of the Scriptures his interaction with well versed Christian teachers and his personal experiences on his journey of life However this is not a collection of personal memoirs it is a compilation of lessons that confirm and exalt biblical truths The first section of his book is entitled Walking and Talking with God In it Phil provides a variety of lessons about discipleship and prayer that Christ followers should understand He shows the reader that good prayers start with a good relationship with God on the Lord s terms Then he goes on to relate how magnificent that relationship can be The second section entitled Jesus s Model Prayer focuses on the Lord s Prayer as presented in Jesus s Sermon on the Mount Phil unpacks the prayer piece by piece to show the amazing depth of truths found in it The third section is Comprehensive Prayer Phil uses this unusual term to expand the scope of typical prayers He encourages readers to consider the multitude of prayer possibilities all around them perhaps the way God sees our world He even offers a sample of a comprehensive prayer which he suggests can be a helpful tool in several ways His intention is for believers to dive deeper and draw closer to God in prayer After covering a broad range of topics related to prayer and discipleship the Appendix is filled with practical information such as Helpful Scriptures with Personal Comments about Prayer A Sample Prayer Campaign for Your Church Fourteen Days of Prayer for Our Church and How to Start a Prayer Ministry in Your Church or for Yourself

Marc. Merrill,2012-03-06 The Great Pyramid mysteries abound For example Why was the subterranean chamber apparently abandoned and yet it is larger than the Queen s Chamber and the King s Chamber combined Why is there a pit in the floor of the subterranean chamber and why does the narrow passage that snakes south off the subterranean chamber come to a sudden end after 53 feet Why was sand from the Sinai hidden behind the wall of the horizontal passage to the Queen s Chamber and why is there a sudden drop in that passage Why was the Grand Gallery built so large in comparison to the ascending passage and why are the slots in the ramps of the Grand Gallery empty Why was the antechamber to the King s Chamber built with both limestone and granite blocks and what purpose could the so called Granite Leaf have served Egyptologists pyramidologists and others outside these two camps have attempted to explain such anomalies Their theories are examined and compared to a new vision that answers not just some of the questions about the Great Pyramid but all of them as revealed in Books Written in Stone Enoch the Seer the Pyramids of Giza and the Last Days **Building Bridges of Time, Places, and People: Volume Ii** J. Marc. Merrill,2012-06-28 From Chapter 5 By a quirk of fate says Darcie Conner Johnston the eruption of Mt Vesuvius in 79 AD caught Pompeii at a time of great spiritual change As a gateway south and east to Greece and Egypt and the Eurasian landmass beyond the city was heir to a panoply of faiths A host of foreign gods had begun to usurp the positions of the venerable Olympian deities and the imperial Roman pantheon Christians were likely to have been here as well though the evidence of their presence is sketchy Page 71 of Pompeii The Vanished City Besides the evidence that has already been presented more remains to demonstrate that once again the accepted historical point of view

is incorrect For example This second volume of Building Bridges of Time Places and People presents the overwhelming evidence that some of the most prominent leaders of the New Testament Church left the lands of Judea and Galilee when war between Rome and the Jews seemed certain and they settled in Pompeii and Herculaneum These leaders included Simon Peter Paul Luke and John Mark the author of The Gospel of Mark They were accompanied by converts such as Cornelius the centurion who was the first Gentile to be baptized and by the mother of Christ This volume also investigates the town of Sepphoris in Galilee and makes a compelling case for the claim that the Messiah of the New Testament grew up there rather than in Nazareth his identity hidden until he began his ministry at the age of 30 **Fundamentals of the Faith** Grace Community Church,2009-02-24 On Sunday mornings at Grace Community Church small groups of people gather together in Fundamentals of the Faith classes that blend basic biblical truths with personal obedience and service Many young believers take these classes to grow in their understanding of biblical truths This study is ideal to disciple new believers or to realize afresh what it means to believe in Jesus **The Bible Book** Erasmus Hort,1983 *The Bible Speaks On Miracles And Providence* Kevin Townsend,2021-05-13 An in depth look into the Bible definition of miracles and divine providence The book provides how the Bible defines these words and concepts as well as what they are designed by God to do It also contrasts and compares these two concepts with each other
