

A man in a dark shirt and pants is running away from the viewer down a long, brightly lit hallway. The hallway has a polished floor that reflects the light. On the right side of the hallway, there is a glass partition or window looking out into a dark area. The man is running towards a bright light at the end of the hallway.

The true story is about Dark Isle, a sliver of a barrier island not far off the North Florida coast. It was settled by freed slaves three hundred years ago, and their descendants lived there until 1955 when the last one was forced to leave. That last descendant is Lovely Jackson, elderly now, who loves her birthplace and its remarkable history. But now Tidal Breeze, a huge ruthless corporate developer, wants to build a resort and casino on the island, which Lovely knows deep down is rightfully hers. Mercer befriends Lovely, and they plunge into an enormous fight over who owns Dark Isle, taking on Tidal Breeze Corporation, its lawyers, lobbyists, and powerful Florida politicians. But Lovely knows something about the island that could seriously cloud the dollar signs in the developer's eyes: the island is cursed. It has remained uninhabited for nearly a century for some very real and very troubling reasons. The deep secrets of the past are about to collide with the enormous ambitions of the present, and the fate of Dark Isle and Camino Island too hangs in the balance. John Grisham takes you to a different kind of court in his first basketball novel. Samuel Sooley Sooleymon is a raw young talent with big hoop dreams and even bigger challenges off the court. Hard to put down, the pages turn quickly, building to a climax that won't leave readers doubting whether this is a John Grisham novel. Associated Press. In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent, and he isn't immediately needed. But Samuel has something no other player has.
