Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide

A Theology of Poverty Reduction in Tanzania Abednego Keshomshahara, 2008 [International Social Work](#) Lynne Moore

Healy, Rebecca Leela Thomas, 2020-07-30 International Social Work Professional Action in an Interdependent World Third

Edition is a comprehensive treatment of all dimensions of international social work. The authors' four-part framework includes domestic practice and policy influenced by global forces, professional exchange, international practice, and global social policy. The first section of the book explores globalization, development, and human rights as foundational concepts for international social work. The text then provides an overview of global social issues and international organizations related to social welfare. Part II offers an overview of the global history of the profession. Similarities and differences in social work around the world are examined through seven country examples. Part III provides an extensive discussion of current aspects of the global profession with chapters on ethics, social policy, international development, practice, and practice at the international domestic interface. Modalities of international professional exchange are then explored prior to a concluding chapter that provides recommendations for international action. The text is enlivened by numerous case examples drawn from many parts of the world. The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers. The text is extensively referenced with updated professional literature and intergovernmental documents. Carefully selected items in the appendix expand the usefulness of the book.

Perspective Papers on Poverty Reduction Strategy Papers (PRSPs) 2003, 2003. The Difficult But Indispensable Church Norma Cook Everist, In this volume of fresh thinking about life in a Christian community 21 theologians attest to Christ-centered communities and offer new views of church as an essential healer.

International Social Work Lynne M. Healy, 2008. **International Social Work Professional Action in an Interdependent World** is a comprehensive introduction that places social work history, practice, policy, and education within an international perspective.

Dissident Daughters Teresa Berger, 2001-01-01. With its focus on narratives, its attention to contextual and material realities, and its collection of women identified liturgies in global context, **Dissident Daughters** claims prominence within the growing literature on women's ways of worship. This book not only introduces liturgical texts but focuses on the communities that create and celebrate these liturgies. **Dissident Daughters** gives voice to the women activists in these communities who show how their communities came into being, how social, cultural, and political realities shaped them, and their liturgies, and how they envision their lives in and as communities of faith. In drawing the different narratives together, **Dissident Daughters** displays the expanse of the worldwide expression of women's rites and how each is shaped by distinctly different contexts of struggle and hope.

Agriculture and Rural Development in a Globalizing World Prabhu Pingali, Gershon Feder, 2017-05-08. Rapid structural transformation and urbanization are transforming agriculture and food production in rural areas across the world. This textbook provides a comprehensive review and assessment of the multi-faceted nature of agriculture and rural development, particularly in the developing world where the greatest challenges occur. It is designed around five thematic parts: Agricultural Intensification and Technical Change, Political Economy of Agricultural Policies, Community and Rural Institutions, Agriculture, Nutrition, and Health, and Future Relevance of International Institutions. Each chapter presents a

detailed but accessible review of the literature on the specific topic and discusses the frontiers in research and institutional changes needed as societies adapt to the transformation processes All authors are eminent scholars with international reputations who have been actively engaged in the contemporary debates around agricultural development and rural transformation

Small Is Big! Tony Dale, Felicity Dale, George Barna, 2011-05-25 Church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God's church How might we change the world if our Christian faith began multiplying at a rapid pace through a way of life that is explosive and transformational It happened once before in the early days of the church what will it take to bring us to that point of urgency and determination again Small Is Big originally published as *The Rabbit and the Elephant* offers keys to 21st century evangelism leveraging the power of the small and taking the gospel to where the people are and the pain is And as God uses us to channel Jesus love into a hurting desperate world we'll see his church grow beyond anything we could have imagined

Suffer the Children Gary Scott Smith, Jane Marie Smith, 2017-01-31 We all say that we care about children We all know that millions of children around the world including in the United States are suffering physically materially and emotionally and are unable to reach their full potential Moreover their material deprivation and physical ills often prevent them from responding to the gospel Most of us conclude that we cannot do anything significant to help the impoverished children living in our own backyards let alone those living in the slums of Nairobi or the hinterlands of Haiti We can however do much to improve their lives materially and spiritually Through praying giving generously sponsoring children volunteering with aid organizations living more simply investing and shopping more prudently and advocating more zealously in the political arena we can make a difference We can prod politicians business executives and church leaders to prioritize aiding destitute children We can support one of the hundreds of organizations that are working effectively to help indigent children have better lives *Suffer the Children* describes the plight of poor children and provides many practical ways we can participate in one of the most important crusades to improve our world
