

Thesis Statements

A thesis statement is a statement in an essay that you plan to support, discuss or prove.

Ask yourself - **Is my thesis debatable?** The answer must be "Yes!"

Characteristics of a Thesis Statement

- Only one topic (your subject) + your comment (point of view)
- At least one verb
- A focus narrow enough that it can be developed in the assigned length of the essay (e.g. 750 words or approximately 3 pages)
- Not a simple announcement

Useful Hint: To be sure that a thesis statement is debatable, you can use the word **should** or **must** in your statement.

Compare these two statements:

1. **There are bad consequences to plastic surgery.**
A simple announcement.
2. **Plastic surgery should be illegal.**
Debatable statement with topic (plastic surgery), verb (should be), and a point of view (illegal).

Developing a Thesis Statement

First, you need a topic.

Example: Topic you have in mind and need to narrow down = Drug Use

This subject is too broad for an essay of 750 or 1000 words, so you need to narrow the focus to a specific aspect of drug use.

First attempt at a thesis statement: Bad drug use.
Rejected - this is still too broad a topic.

Second attempt: Drug use is detrimental to society.
Rejected - this is not an idea presented in debatable form. Most people would agree with this statement.

Third attempt: Illegal drug use is detrimental to society because it encourages gang violence.

Updates and the 2010 APA Updates Real Essays with Readings is the essay level book in Susan Anker's highly successful series of writing texts that motivate students with their message that writing is an essential skill in college and in real life and that this skill is achievable. Anker's advice, examples, and assignments show the relevance of writing to all aspects of students' lives, and profiles of former students prove that success is attainable. Like all the books in the Anker series, Real Essays presents writing in logical, manageable increments: step by step writing guides and a focus on the four basics of each mode of writing keep students from becoming overwhelmed. Real Essays maintains its emphasis on what really matters by focusing on the four most serious errors: fragments, run-ons, subject-verb agreement problems, and verb form problems. Real Essays gives students what they need to succeed in college and become stronger academic writers. *Final Draft Level 2 Student's Book* Jill Bauer, Mike S. Boyle, Sara Stapleton, 2015-09-23. Academic writing is difficult, and Final Draft gives students all the tools they need. Writing skills and in-depth analysis of models set the stage for development. Corpus-based vocabulary, collocations, and phrases, as well as detailed information on the grammar of writing, prepare your learners for college writing courses. Students learn to avoid plagiarism in every chapter of every level. This dedicated long-term focus on plagiarism avoidance helps ensure that these students are able to use sources and highlight their own thoughts. *The Dolphin Writer - Crafting Essays*, 2008. The Houghton Mifflin College Writing Series is a three-volume series focusing on writing from sentences to paragraphs to essays in an easy-to-understand format and at an affordable price. Each volume of the College Writing Series presents students with comprehensive yet approachable coverage of the writing process from prewriting through peer evaluation, revision, and preparation of the final paper, and each also includes a section of numerous level-appropriate readings. A focus on student success in all areas of reading, writing, and studying helps students organize, manage, and implement techniques, including how to use a computer to assist in the writing process. Book Three includes complete coverage of essay skills. The Houghton Mifflin College Writing Series features the same topics and content as other comparable textbooks but for a third of the price. Step-by-step explanations of the writing process, including many student models, give students a clear understanding of how good writing actually works. The text features a multitude of practice exercises, including self-tests that help students hone their writing skills. Suggested answers appear in the back of the book. Web Workboxes at the end of each chapter provide suggestions for Web sites with additional help, exercises, or suggestions for further exploration. Chapter pedagogy, including goals for each chapter and a chapter review self-test, supports students in anticipating learning and reviewing key concepts. Book Three includes Focus on Research boxes to help students begin to think about how to find sources of information, how to keep track of their information, and ultimately how to appropriately incorporate sources into their own writing.
