Initial setup

1. Install the battery.

This system supports only batteries specially designed for this specific system and manufactured by Lenovo or an authorized builder. The system does not support unauthorized batteries or batteries designed for other systems. If an unauthorized battery or a battery designed for another system is installed, the system will not charge.

Attention: Lenovo has no responsibility for the performance or safety of unauthorized batteries, and provides no warranty for failures or damage arising out of their use.

2. Connect the power cord to the ac power adapter.

Connect the power cord to the ac power adapter. If your computer is shipped with a USB-C™ type adapter, connect the adapter to the USB-C connector. Then connect the power cord to a properly grounded ac power outlet. Ensure that all power cord connectors are securely and completely plugged into receptacles.

3. Press the power button to turn on the computer.

Then follow the on-screen instructions to complete the initial setup.
