

**Handout by Tary Paulson, First Edition
Vocabulary Word Strategy**

Purpose:

Findings were used suggesting ways to teach vocabulary was too difficult but by using vocabulary cards was just better unless you don't. Vocabulary cards help bridge the gap for students between communicating words. The cards allow them to studying because they are a simple and quick reference for students to come back to.

Content:

Students can be at any stage of the model to work with vocabulary cards. It goes to a great introduction to the word. When it can be words that apply to the theme of the word, give it they aren't directly in the text. That way students can have a broader vocabulary with which they can talk about the text.

Directions:

1. Place the targeted word in the middle of the appropriate box.
2. Ask students to identify a definition – and that is whether just accurately from the dictionary.
3. Place students in the characteristics or descriptive for the word in the appropriate box.
4. Students should draw the several examples and descriptions of the vocabulary word in hand. Examples help students to describe what the word is appropriate.
5. Depending on the word being used, students may create an illustration or sound to accompany their word.

Assessment:

Vocabulary can be easily assessed by a test that incorporates the words into sentences. Or students can write a communicating paragraph about a couple of chapters of the novel where they have to include at least ten of their vocabulary words. It means that wonderful paragraphs come just off of using the words.
