

Passage #61—A Trip to the Museum

My friends and I had been looking forward to this day for weeks! Our class was finally going on (land, the, prefer) field trip to the new State (develop, History, Mass) Museum. Mrs. Lopez gave each student (brave, direction, a) something to wear. Then we got (know, library, on) the bus, and after a short (nearly, ride, drive) we arrived at the museum. We (find, some, drive) up and followed Mrs. Lopez into (library, event, a) large entry hall.

"The rooms are (set, behind, given) up like a time line," she (said, concerned, map). "We will begin in the room (that, justly, talk) shows how the very first Native (American, damaged, become) lived in our state. Then we (swim, digestion, will) progress through time, right up to (thoughtful, nervous, the) present. There will be a few (moral, strange, stops) along the way to watch short (movies, justly, doubt) about interesting people or events."

The (rooms, within, soft) were filled with life-like objects. There (rich, quality, were) also displays of clothing, jewelry, cooking (finger, pots, basket), and so forth. When we got (sly, high-pitched, to) the room showing how early settlers (figure, snow, lived), I became really interested. This was (the, school, point) part of our history I liked (the, distribution, better) best. I must have wandered away (that, from, onto) the class, because when I looked (stomach, up, strong) from the display I had been (studying, improve, annoy), everyone was gone. I guess I (father, gentle, talked) lost because a museum guard came (relation, promptly, over) and offered to help.

"I think (fruit, I, failed) know where your class is," she (said, man, rode), leading me toward a darkened theater. " (They, outrageous, off) are watching a movie about an (confused, early, relation) settler family. Just slip quietly through (this, bird, gently) door and take a seat near (suddenly, creepy, the) back. No one will ever know (written, were, you) were left behind."

I did just (dream, as, Monday) she said, and within minutes, I (moral, someone, was) caught up in the story unfolding (decision, quiet, on) the screen. When the film ended (colorful, foot, and) the lights came up, we all (pothole, built, followed) Mrs. Lopez into the next room. (I, Quaker, Shabby) paid attention to all the details (shallow, about, damaged) the first settlers in our state. (Golf, expect, hold) I can assure you I also (dress, identity, kept) a close eye on Mrs. Lopez. (Point, Fiftly, One) experience of getting lost was quite (some, business, enough) for me!

Third Grade Daze Passages
