**Death: A User's Guide** Tom Hickman, 2003-07-01 Everything you always wanted to know about life when you're six feet under. Let's face it, death is one of the most important events in life and it never hurts to be prepared. Herein you'll explore such provocative questions as: Is there life after death? Is the Hereafter sexist? And most important: How do you know you're dead? This eye-opening collection of amusing tidbits, historical facts, and macabre curiosities probes the mysterious state that has stymied scholars and spiritualists since the beginning of time. Did you know? An Australian woman had her husband's ashes inserted in her breast implants to keep him close to her heart. See page 118. Heavy drinking combined with excess body fat can result in Spontaneous Human Combustion. See page 191. Statistically, you're more likely to be killed by walking 660 1 than by lightning 55 000 1. See page 193. PLUS Sex and Death, Graves of the Rich and Famous, Body Snatching and Grave Robbing, Ghosts, Ghouls, and the Undead. And Much More. *Tablets, Instructions and Words of Explanation Revealed by Abdul Baha Abbas* Sohrab Ahmad, 1919 **Instructions for the Netherworld** Alberto Bernabé Pajares, Ana Isabel Jiménez San Cristóbal, 2008 Orphic gold tablets are key documents for the knowledge of rites and beliefs of Orphics, an atypical group that configured a highly original creed and that influenced powerfully over other Greek writers and thinkers. The recent discovery of some tablets has forced a noteworthy modification of some points of view and a review of the different hypothesis proposed about them. The book presents a complete edition of the texts, their translation, and some fundamental keys for their interpretation in an attempt at updating our current knowledge on Orphic ideas about the soul and the Afterlife stated in those texts. The work is improved with an appendix of iconographic annotations in which some plastic representations in drawings are reproduced related to the universe of tablets selected and commented on by Ricardo Olmos. **The Theosophical Path** Katherine Augusta Westcott Tingley, 1913 **A Guide to the Tablets in a Temple of Confucius** Thomas Watters, 1879 **Messages from the Enochian Tablets** Diana Kushenbach, 2013-07-23 Messages from the Enochian Tablets will challenge conventional wisdom and traditional thinking and may have you questioning everything you thought you knew about our existence. When God first spoke to the angels, He created the Enochian Tablets to explain the duties of the angels. Over time, the tablet became a manuscript on how to better serve God and his plan for all that is, was, and will be. A Lightworkers Guide to Energetic Clearing: the second portion of this two-part book explains ways to accelerate your spiritual path. Along with channeled writings and healing symbols from the Enochian Tablets, this book includes original information about raising the vibrations of crystals, a pendulum energy reading and clearing system, deactivation codes to clear and restructure complex energy, and intuitive energy healing methods. Diana Kushenbach brings the uniqueness of her experiences as a retired police officer and an earth angel working her spiritual path to bring a new perspective to how we view our connection to God, Creator, Source, and to bring the planet to a higher vibration. **The Calling** Julia Mossbridge, 2019-04-01 The Calling offers a groundbreaking twelve-week program to help you discover more fulfilling work.
