White Mythic Space Stefan Aguirre Quiroga,2022-01-19 The fall of 2016 saw the release of the widely popular First World War video game Battlefield 1 Upon the game s initial announcement and following its subsequent release Battlefield 1 became the target of an online racist backlash that targeted the game s inclusion of soldiers of color Across social media and online communities players loudly proclaimed the historical inaccuracy of black soldiers in the game and called for changes to be made that correct what they considered to be a mistake that was influenced by a supposed political agenda Through the introduction of the theoretical framework of the White Mythic Space this book seeks to investigate the reasons behind the racist rejection of soldiers of color by Battlefield 1 players in order to answer the question Why do individuals reject the presence of people of African descent in popular representations of history

Sex and Nation in Transatlantic Literatures Agata Szczeszak-Brewer,2025-06-12 Nationalist and tribal cohesion in Ireland South Africa the US and elsewhere often relies on an absence of female and gender nonconforming bodies in the public life Staging a vital counter narrative to global nationalist discourses this book explores how 20th and 21st century postcolonial literatures criticize hetero normative definitions of nationhood across different geopolitical and cultural contexts Szczeszak Brewer delves into the metaphorical currency of male impotence and sexual aggression in nationalist narratives She examines the place of gender nonconforming characters in literature from Ireland the US Poland France Britain South Africa and Senegal in the work of writers including James Joyce Witold Gombrowicz Jean Toomer Bessie Head Zo Wicomb J M Coetzee Andrea Levy Patrick McCabe and David Diop Aligning queer and gender perspectives with discussions of white supremacy this book examines the urgency for contemporary geopolitics to imagine new discourses of community against the backdrop of a rise in neo nationalisms steeped in homophobic and misogynistic rhetoric

The Handbook of African Defence and Armed Forces Evert Kleynhans,Marco Wyss,2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of

national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations

Civil Wars in Africa Kelechi A. Kalu, George Klay Kieh Jr., 2022-05-05 Civil Wars in Africa edited by Kelechi A Kalu and George Klay Kieh Jr examines civil conflicts throughout various African countries They argue that civil wars in Africa are by products of the contradictions and crises engendered by the post colonial state building and nation building projects in Africa With few exceptions the post colonial states in Africa have failed to build societies that invest in the material well being of their citizens protect their political civil and other rights promote accountability transparency the rule of law judicial independence and the holding of free and fair elections and promote ethnic pluralism tolerance mutual respect and peaceful co existence among others In addition the contributors show that the post colonial states in Africa have been ruled by corrupt and autocratic leaders who are obsessed with the maintenance of state power as the pathway to ensuring the private accumulation of wealth through sundry illegal means including bribery extortion and theft of public funds In sum this volume addresses how the failure of the post colonial African state to shepherd the process of building democratic societies based on the centrality of human security has led to the erosion of the legitimacy of the state and its custodians Thus once the contradictions and crises reached their crescendo these post colonial societies than implode into civil wars even at the micro level

Anti-Impunity and the Human Rights Agenda Karen Engle, Zinaida Miller, D. M. Davis, 2016-12-15 In the twenty first century fighting impunity has become both the rallying cry and a metric of progress for human rights The new emphasis on criminal prosecution represents a fundamental change in the positions and priorities of students and practitioners of human rights and transitional justice it has become almost unquestionable common sense that criminal punishment is a legal political and pragmatic imperative for addressing human rights violations This book challenges that common sense It does so by documenting and critically analyzing the trend toward an anti impunity norm in a variety of institutional and geographical contexts with an eye toward the interaction between practices at the global and local levels Together the chapters demonstrate how this laser focus on anti impunity has created blind spots in practice and in scholarship that result in a constricted response to human rights violations a narrowed conception of justice and an impoverished approach to peace

The Fabric of Peace in Africa Pamela Aall, Chester A. Crocker, 2017-06-05 Africa has experienced dozens of conflicts over a variety of issues during the past two decades Responding to these conflicts requires concerted action to manage the crises the violence the political discord and the humanitarian consequences of prolonged fighting It is also necessary to address the long term social and economic impacts of conflict to rebuild communities societies and states that have been torn apart To accomplish this requires the involvement of institutions and groups rarely considered

in formal official African conflict management activities schools universities religious institutions media commercial enterprises legal institutions civil society groups youth women and migrants These groups and organizations have an important role to play in building a sense of identity fairness shared norms and cohesion between state and society all critical components of the fabric of peace and security in Africa This volume brings together leading experts from Africa Europe and North America to examine these critical social institutions and groups and consider how they can either improve or impede peaceful conflict resolution The overarching questions that are explored by the authors are What constitutes social cohesion and resilience in the face of conflict What are the threats to cohesion and resilience And how can the positive elements be fostered and by whom The second of two volumes on African conflict management capacity by the editors The Fabric of Peace in Africa Looking beyond the State opens new doors of understanding for students scholars and practitioners focused on strengthening peace in Africa the first volume Minding the Gap African Conflict Management in a Time of change focused on the role of mediation and peacekeeping in managing violence and political crises
