Course Description:

The purpose of this course is to reinforce and grow the fundamental skills of the Spanish language that the student acquired in Spanish 1. My goal is to provide a learning environment where every student can develop and discover their potential success. The emphasis of this course is placed on the development of the four skills of listening, reading, writing, and speaking in a real-world context as much as possible. In order for this course to be engaging, yet impactful, the context focuses on the students' lives and experiences and includes exposure to everyday customs and lifestyles. Grammar is integrated throughout the course as students learn how the Spanish language and culture work and compares to their own.
