The Finite** Eric v.d. Luft, 2020-09-13 Since the 1970s I have pursued three separate but overlapping and sometimes simultaneous careers 1 philosopher writer teacher historian of the long nineteenth century 1789-1914 2 editor translator photographer publisher biographer encyclopedist 3 cataloging librarian rare books and special collections librarian historian of medicine Somehow these three vocations have garnered me some acclaim even an entry in Who's Who in America Each of them has resulted in some published or presented works Because these works have been scattered in a wide variety of venues some of which have gone

out of print or have otherwise become generally unavailable and of course with the oral presentations being gone as soon as they are given I have thought it wise to select epitomize and bring them together in one place here Thus what follows in these volumes is what I consider to be the most important of my shorter works All translations are my own unless otherwise indicated

Fitzgerald,2018-12-14 Many prominent and well known figures greatly impacted the civil rights movement but one of the most influential and unsung leaders of that period was Gloria Richardson As the leader of the Cambridge Nonviolent Action Committee CNAC a multifaceted liberation campaign formed to target segregation and racial inequality in Cambridge Maryland Richardson advocated for economic justice and tactics beyond nonviolent demonstrations Her philosophies and strategies including her belief that black people had a right to self defense were adopted often without credit by a number of civil rights and black power leaders and activists The Struggle Is Eternal Gloria Richardson and Black Liberation explores the largely forgotten but deeply significant life of this central figure and her determination to improve the lives of black people Using a wide range of source materials including interviews with Richardson and her personal papers as well as interviews with dozens of her friends relatives and civil rights colleagues Joseph R Fitzgerald presents an all encompassing narrative From Richardson s childhood when her parents taught her the importance of racial pride through the next eight decades Fitzgerald relates a detailed and compelling story of her life He reveals how Richardson s human rights activism extended far beyond Cambridge and how her leadership style and vision for liberation were embraced by the younger activists of the black power movement who would carry the struggle on throughout the late 1960s and into the 1970s Jazzing Thomas H.

Greenland,2016-05-15 How do we speak about jazz In this provocative study based on the author s deep immersion in the New York City jazz scene Tom Greenland turns from the usual emphasis on artists and their music to focus on non performing participants describing them as active performers in their own right who witness and thus collaborate in a happening made one of a kind by improvisation mood and moment Jazzing shines a spotlight on the constituency of proprietors booking agents photographers critics publicists painters amateur musicians fans friends and tourists that makes up New York City s contemporary jazz scene Drawn from deep ethnographic research interviews and long term participant observation Jazzing charts the ways New York s distinctive physical and social cultural environment affects and is affected by jazz Throughout Greenland offers a passionate argument in favor of a radically inclusive conception of music making one in

which individuals collectively improvise across social contexts to co create community and musical meaning An odyssey through the clubs and other performance spaces on and off the beaten track Jazzing is an insider s view of a vibrant urban art world
