Nypd Police Student Guide:

Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process Bernard D. Rostker, Lawrence M. Hanser, William M. Hix, Carl Jensen, Andrew R. Morral, 2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department's firearm training program and identify potential improvements in it and in the police department's firearm discharge review process This monograph reports the observations findings and recommendations of that study

Policing within the Law John Eterno, 2003-07-30 At a time when police abuses and errors make the headlines it is important to understand just what goes into the decisions that police make when they are confronted with various crime scenarios in the line of duty Required to respond within the law many officers are able to respond in a legal manner to crime situations in which court decisions are written clearly and with easily applied guidelines But what happens when those decisions and laws are written in a way that invites interpretation and varies from situation to situation Based on a case study of New York City police officers this important volume analyzes how officers contend with often ambiguous laws in the face of specific crime scenarios In addition the author explores other influences on police decision making including officer characteristics and attitudes and makes policy recommendations in an effort to encourage the reinforcement of legal guidelines so that the rights of individuals are appropriately balanced with the duty to control crime Based on a survey of nearly 1 300 officers responses to specially designed hypothetical crime scenarios this study illustrates how police officers are likely to react with regard to the law in these situations While officers tend to act legally where the laws are clear less clearly articulated laws leave the police with a variety of different options for action in ambiguous situations For instance in weapons scenarios the survey showed that officers would often take advantage of ambiguity in the law with regard to how they may respond In drug scenarios officers will increase their tendency to do a search if the situation is slightly ambiguous though they will decrease their search responses when the situation appears to be highly ambiguous Eterno carefully examines the various responses and the laws that are meant to guide what police may or may not do in given situations concluding that better laws and bright line rules will help to check and balance the need to fight crime aggressively while preventing the abuse of authority that may arise in questionable circumstances

Police Corruption in the NYPD Steven V. Gilbert, Barbara A. Gilbert, 2017-07-27 Police Corruption in the NYPD From Knapp to Mollen explores how the New York Police Department experienced two major investigations within a quarter of a century It compares the states of corruption within the NYPD during the Knapp and Mollen commissions examining why corruption continued and why the revealed ethical breaches became more serious

Global Environment of Policing Darren Palmer, Michael M. Berlin, Dilip K. Das, 2012-06-05 Police organizations across the globe are experiencing major changes Many nations cope with funding constraints as pressures within their societies terrorism and transnational crime and social and political transformations

necessitate a more democratic form of policing Drawn from the proceedings at the International Police Executive Symposium i
i **Underkill** David C. Gompert,2009 The battle for Gaza revealed an extremist strategy hiding in cities and provoking attack to cause civilian deaths that can be blamed on the attacking forces The U S and allied militaries having no options but lethal force or no options at all are ill equipped to defeat this strategy The use of lethal force in dense populations can harm and alienate the very people whose cooperation U S forces are trying to earn To solve this problem a new RAND study proposes a continuum of force a suite of capabilities that includes sound light lasers cell phones and video cameras In missions ranging from counterinsurgency to peacekeeping to humanitarian intervention to quelling disorder the typical small unit of the U S military should and can have portable easy to use all purpose capabilities to carry out its missions without killing or hurting civilians that may get in the way The technologies for these capabilities are available but have not been recognized as a solution to this strategic problem and consequently need more high level attention and funding provided by publisher **Police Practices and Civil Rights in New York City** United States Commission on Civil Rights,2000

Police Practices and Civil Rights in New York City Mary Frances Berry,2000-12 On May 26 1999 the U S Commission on Civil Rights conducted a hearing in New York City to examine current police practices police community relations civilian complaints **Police Responses to People with Mental Illnesses** Duncan Chappell,2014-07-16 According to the World Health Organisation during their lifetime more than one quarter of all individuals will develop one or more mental or behavioural disorders Given prevalence data like this it is not surprising that wherever they reside on the planet many persons suffering from a mental disorder or as is more commonly termed in popular parlance a mental illness are likely to come into contact with police at some stage in their lives Indeed research conducted in a number of countries suggests that about 10 per cent of all community police work involves some form of interaction with a person with a mental illness From a police perspective these encounters are not only frequent but also often sensitive and challenging Despite the difficulties associated with this important aspect of community policing surprisingly scant attention has been given to the development of empirically tested and established best practice approaches to managing police interactions with persons with mental illnesses The literature that does exist is principally derived from North American sources although more recent and interesting developments have been reported in Australia and the United Kingdom The principal aim of *Police Responses to People with Mental Illnesses* is to seek to reduce this gap in the literature by providing an international overview of some of the latest research and policy developments in the field and the challenges still to be confronted in many places in overcoming cultural and associated barriers to protecting the rights of the mentally ill This book was originally published as a special issue of *Police Practice and Research An International Journal* *Police Student's Guide* New York (N.Y.). Police Department,New York Police Academy,1974* **Policing and Race in America** James D. Ward,2017-12-27 This edited collection explores policing in America in regards to minority groups The essays discuss how the relationship between police

and minority groups affects politics the economy and minority groups daily lives and success The contributors explore the Black Lives Matter movement the Detroit Los Angeles and Atlanta Police Departments immigration incarceration community policing police violence and detail causes theories and solutions to this important phenomenon Encyclopedia of Law Enforcement Larry E Sullivan,2005 Vols 1 and 2 cover U S law enforcement Vol 3 contains articles on individual foreign nations together with topical articles on international law enforcement **A People's Guide to New York City** Carolina Bank Muñoz,Penny Lewis,Emily Tumpson Molina,2022-01-25 This alternative guidebook for one of the world s most popular tourist destinations explores all five boroughs to reveal a people s New York City The sites and stories of A People s Guide to New York City shift our perception of what defines New York placing the passion determination defeats and victories of its people at the core Delving into the histories of New York s five boroughs you will encounter enslaved Africans in revolt women marching for equality workers on strike musicians and performers claiming streets for their art and neighbors organizing against landfills and industrial toxins and in support of affordable housing and public schools The streetscapes that emerge from these groups struggles bear the traces and this book shows you where to look to find them New York City is a preeminent global city serving as the headquarters for hundreds of multinational firms and a world renowned cultural hub for fashion art and music It is among the most multicultural cities in the world and also one of the most segregated cities in the United States The people that make this global city function immigrants people of color and the working classes reside largely in the so called outer boroughs outside the corporations neon and skyscrapers of Manhattan A People s Guide to New York City expands the scope and scale of traditional guidebooks providing an equitable exploration of the diverse communities throughout the city Through the stories of over 150 sites across the Bronx Manhattan Queens Brooklyn and Staten Island as well as thematic tours and contemporary and archival photographs a people s New York emerges one in which collective struggles for justice and freedom have shaped the very landscape of the city **Seven Shots** Jennifer C. Hunt,2010-09-15 On July 31 1997 a six man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds possibly thousands of lives Seven Shots tells the dramatic story of that raid the painstaking police work involved and its paradoxical aftermath which drew the officers into a conflict with other rank and file police and publicity hungry top brass Jennifer C Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four star chief to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device She follows their lives for five years from that near fatal day in 1997 through their encounters inside the brutal world of departmental politics and on to 9 11 when they once again put their lives at risk in the fight against terrorism racing inside the burning towers and sorting through the ash debris and body parts Throughout this fast paced narrative Hunt maintains a strikingly fine grained street level view allowing us to understand the cops on their own terms and often in their

own words The result is a compelling insider's picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and courage involved As gripping as an Ed McBain novel and just as steeped in New York cop culture and personalities *Seven Shots* takes readers on an unforgettable journey behind the shield and into the hearts of New York City police

Document Retrieval Index, 1974
