**Moving Corrections and Sentencing Forward** Pamela K. Lattimore, Beth M. Huebner, Faye S. Taxman, 2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking

**Handbook on Risk and Need Assessment** Faye Taxman, 2016-11-10 *The Handbook on Risk and Need Assessment Theory and Practice* covers risk assessments for individuals being considered for parole or probation Evidence based approaches to such decisions help take the emotion and politics out of community corrections As the United States begins to back away from ineffective expensive policies of mass incarceration this handbook will provide the resources needed to help ensure both public safety and the effective rehabilitation of offenders The ASC Division on Corrections Sentencing Handbook Series will publish volumes on topics ranging from violence risk assessment to specialty courts for drug users veterans or the

mentally ill Each thematic volume focuses on a single topical issue that intersects with corrections and sentencing research

*Prisoner Reentry in the 21st Century* Keesha M. Middlemass, Calvin John Smiley, 2019-11-04 This groundbreaking edited volume evaluates prisoner reentry using a critical approach to demonstrate how the many issues surrounding reentry do not merely intersect but are in fact reinforcing and interdependent The number of former incarcerated persons with a felony conviction living in the United States has grown significantly in the last decade reaching into the millions When men and women are released from prison their journey encompasses a range of challenges that are unique to each individual including physical and mental illnesses substance abuse gender identity complicated family dynamics the denial of rights and the inability to voice their experiences about returning home Although scholars focus on the obstacles former prisoners encounter and how to reduce recidivism rates the main challenge of prisoner reentry is how multiple interdependent issues overlap in complex ways By examining prisoner reentry from various critical perspectives this volume depicts how the carceral continuum from incarceration to reentry negatively impacts individuals families and communities how the criminal justice system extends different forms of social control that break social networks and how the shifting nature of prisoner reentry has created new and complicated obstacles to those affected by the criminal justice system This volume explores these realities with respect to a range of social community political and policy issues that former incarcerated persons must navigate to successfully reenter society A springboard for future critical research and policy discussions this book will be of interest to U S and international researchers and practitioners interested in the topic of prisoner reentry as well as graduate and upper level undergraduate students concerned with contemporary issues in corrections community based corrections critical issues in criminal justice criminal justice policies and reentry
